# RULES FOR PLAY ON DIAMONDHEAD COURSES

1. USGA Rules of Golf and Golf Course etiquette will apply at all times except when modified by local rules.
2. All players must register in the Golf Shop or with the Starter prior to play. All play shall begin from the #1 tee unless permission to do otherwise has been given by the Golf Shop. Members who pay annual fees or monthly fees may contact the Golf Shop to determine the availability of courses prior to normal opening times.
3. Clothing of those styles which are available in the Golf Pro Shop, with men required to wear a collared shirt or turtleneck. Women may wear collared shirt or sleeved tops without collars. Men may wear walking/Bermuda length shorts. Women may wear skirts or walking/Bermuda length shorts. NOT TO BE WORN AT ANY TIME: T-shirts, sleeveless undershirts, tube tops, tank tops, racer back tops, short shorts or other attire deemed inappropriate by the golf shop.
4. Each player must have a set of golf clubs. No more than one player can play out of the same bag.
5. No more than four players in a group (foursome) allowed without permission from Golf Shop. During peak hours, Starters will put twosomes or singles with others to maximize golf course play.
6. Players must have proper identification at all times. Annual golf members must have annual dues tags or daily receipt. For guests paying on a daily basis, dated receipts for carts and greens fees must be in their possession prior to starting play. A member who has paid his annual golf fee, but who has not paid a cart fee may not ride with a member in a private cart, until appropriate cart fee has been paid.
7. Allow faster players through, rake all traps, repair all ball marks on greens and fill divots with sand.
8. No practicing will be allowed on golf courses at any time. A practice range, putting green and chipping area is provided.

9. During hours of golf course operations (dawn to dusk; day-light hours), walkers and joggers are not allowed to use courses as exercise trails, nor is fishing permitted in golf course lakes except where posted. This is for your safety and the consideration of golfers that are paying daily guest fees or annual golf fees to enjoy our golf courses.
10. All golfers must respect the property bordering the golf courses. All of those lots are privately owned and players should respect the owner's privacy. Out-of-bounds are marked with white stakes and golfers should not hit from out-of-bounds nor drive a golf cart on privately owned property.
11. Only two adults and two sets of clubs will be allowed on one cart.
12. When posted "cart path only" carts will be restricted to cart paths. At all other times the 90 degree rule will be in effect. In no case shall a cart be driven closer than 30 feet from a green except when it is on cart path. At no time should carts be driven past the markers in front of greens. Par 3's are cart path only at all times for all golfers.
13. No carts will be driven through heavy rough areas.
14. Property owners may use their privately owned golf carts on Diamondhead courses upon payment of appropriate cart fees. Carts may not be loaned to persons who have not paid the appropriate cart fees.
15. Any member who is not on the annual cart fee program must pay a daily cart fee/trail fee when playing out of a private cart.
16. No bicycles, motorbikes or any other vehicles other than those authorized may be on the Golf Courses or Cart Paths at any time.
17. Only soft spikes are allowed on the golf courses and in the Club.

(Rules are subject to change without notice.)
