All golf memberships are annual commitments (based on calendar year). First time annual golf members joining after the 23rd of any month will pay a prorated annual golf membership fee beginning on the next full month of membership. Dues and fees are subject to change without notice.

Golf fees in club sponsored golf events specifically for annual golf members only are waived. For outing and event play, annual golf members are encouraged to participate but golf fees for non-club sponsored golf events are not waived for event coordinators and it will be incumbent upon them to charge for their golf outings appropriately.

For Annual POA Member Golf Memberships, eligibility is defined as a Diamondhead Property Owners Association dues payer in good standing with current DPOA Member ID #. Residents must present current DPOA Member ID cards for each individual being included on annual golf membership. Non-residents selecting family membership must verify status with Golf Shop since they will not have DPOA Member ID.

Shared riding plan is for ½ seat in a rental fleet cart. This is a tremendous value over the \$20 daily cart rental fee if playing 6 rounds per month or more. Members on the shared riding plan will be required to ride with any other member or guest that has an open seat in another rental fleet cart in their tee time. If you insist on having the full cart to yourself, and a cart is available, then you must pay the \$12 single rider fee in addition to the shared riding plan or the \$20 daily cart rental fee. We do not offer a prepaid plan that allows an individual to ride as an individual in their own rental fleet cart.

Credits will be granted once per annual golf membership per calendar year for annual golf membership fees with physician verified medical reasons or verified out of state move for employment. Any annual golf member unable to golf due to physician verified medical reasons or due verified out of state move for employment can receive golf shop credit for up to 2 months (8 weeks) per year not to exceed \$480 total. Must be unable to golf for a minimum of 1 month (4 weeks) to be eligible for credit. If ACH, the automatic draft will continue as agreed with annual commitment and upon return the credit will be granted. In all cases, credit will be in the form of golf shop merchandise credit or applied toward following year's annual golf membership fees.
