

Permits should be obtained from Diamondhead POA after approved permits from the City of Diamondhead have been acquired. A copy of the approved City permit must be attached to the POA's application before review and approval can take place. The following is a list of projects requiring such permits from the POA:

Lot clearing

New construction

Tree removal

Utility building

Fence

Swimming pool

Roof replacement

Paint and siding

Flatwork – concrete slab, sidewalks, patios, asphalt drives, etc.

Decks

For further information please contact the POA office at 22-255-1900 ext. 103.
