

From the Desk of the President

BY ERNIE KNOBLOCH President's Report

FOR AUGUST 2023

Thanks to everyone who voted in the June Members Meeting concerning the four propositions/changes to our Charter, By Laws etc. The final tally of all 4 propositions was approximately 950 for and 30 against.

The Hancock County Chamber of Commerce recently announced that the DH POA was named a finalist in the "Business of the Year in Diamondhead."

This competition involves Bay St Louis, Waveland, and the unincorporated areas in Hancock County. As far as I know, this is the first time our POA has been nominated in this competition.

The DH POA is actually one of the larger businesses in Hancock County with a yearly budget of around \$6 million and about 140 employees, 70 full time and 70 part-time.

In addition, the POA operates and manages amenities worth an estimated \$20-\$30 million. The winners will be announced in late August.

Since the last edition of the DH News, I was shown three articles on social media that I think were interesting:

The first article stated

that if the POA would "go away" property values in DH would increase. The Hancock County Assessor has stated in various public settings that is 100% incorrect.

I meet new residents each month and everyone says that the amenities played a significant role in their decision to buy in DH. It's also interesting that the local developers are requiring their new homes and condos to become members of the POA. I realize I've written the following before, but you need to drive to the St. Andrews area of Ocean Springs and see if you would like to move there, since they lost the one golf course amenity that they had after Katrina.

The second media post I was shown stated emphatically that property values had gone up in DH, but only in areas where the covenants may or may not have expired.

According to various realtors, that I've talked to, that is completely false.

It's also interesting that when most properties go up for sale in DH, part of the description mentions the various amenities that are available here. Why do you think that's included in the sales pitch?

The third media post was from a property owner who complained that the POA

received over \$1,000 during closing and he had no idea why that occurred. The owner of the property in question had to have over \$1,000 in back dues before his/her covenants may, or may not, have expired.

A significant amount of money from back dues is owed to the POA and the POA is required by its fiduciary responsibilities to use the legal process to obtain payments that owners are legally required to pay.

I did have one phone call worthy of note. The caller asked me why the POA was in the process of trying to get a final decision from the MS Supreme Court. The caller suggested that the POA should not pursue that route. Basically, the POA Board has the fiduciary responsibility to do what's best for the corporation. This means the Board must do whatever it can legally do to get a final, definitive answer.

Once a final, definitive decision is made by the MS Supreme Court, the POA will react accordingly.

Planning ahead: There will be another election in June 2024 for POA President, Vice President, Secretary, Treasurer and three Directors. More info to come at a later date.

With the weather continu-

ing to trend with very hot temperatures, taking advantage of our 4 pools and hav-

ing a cold beverage at the Club might be just what we all need.

CANDIDATE STATEMENT

"As previous Ward 4 City Councilman of Diamondhead and your current Hancock County District 3 Supervisor and Vice President to the Board, I am the only candidate with governmental experience, and I trust that my 7 years of knowledge and insight of the office have me well prepared and qualified for this position. I have first-hand experience with our policies and procedures, as well as the proven ability to interpret county budgets, be fiscally responsible, and make difficult decisions in a governmental office. With a proven record of public service, commitment, and leadership, I pledge to continue the quality services you have come to trust and expect of your Chancery Clerk with professionalism, accountability, and exceptional delivery."

- Kodie Koenenn

PLATFORM

If elected your next Chancery Clerk, my objectives are simple,

County Board Meetings – work on properly recording minutes, auditing and safeguarding county finances and using my experience as a Councilman and Supervisor to assist with county priorities and legislative policy.

Chancery Court – attend court sessions and make sure all court proceedings and minutes are properly recorded.

Confidentiality – work closely with our residents on sensitive issues like domestic matters, guardianship, and sanity hearings.

Office Modernization – continue to improve services, documents and records for our residents and businesses.

CHANCERY CLERK

EXCEPTIONAL LEADERSHIP YOU DESERVE

It's been 28 years since Hancock County elected a new Chancery Clerk. **The Chancery Clerk is a community gatekeeper whose leadership and influence touches almost every aspect of County Operations.** As captain of the Chancery Court, the Clerk makes things run smoothly. I've captained teams and organizations throughout my life and built a successful business right here in Hancock County. As a trusted business owner, I've handled countless estates and financial matters, and I help clients by making decisions with lifelong impacts to their future. I have developed experience hiring, training, and utilizing the talents of my team to exceed expectations, and I understand the fiduciary responsibility of maintaining employees.

As someone who grew up here and built a business from the ground up, I know how important personal relationships are and how to lead with integrity.

I am rooted in this community and believe that maintaining the status quo is simply not good enough for our children. Let's continue striving to be exceptional.

On August 8, I ask for your vote for Chancery Clerk.

East Hancock Library offers lots of activities in July

BY MARY GOBERT

It's August and the school busses are rolling again. While the kiddos are occupied with their new adventures in learning, let's see what's in store for everyone else at the library this month!

Excel by 5 Story Time for the preschoolers begins again Monday, August 14 at 10:30. Bring your little one in for socialization and education! After reading the stories, the littles can stretch their creativity and enhance motor skills with a related activity that follows. As an added bonus, on the 2nd Monday of each month, the trained therapy dogs will visit. This is a treat we're carrying over from last year. Hope to see you there.

Youth Mental Health First Aid

Training provides those who regularly interact in a teen's life with ways to help them with a mental health or addiction challenge. The comprehensive session will take place on August 2 from 8:30-4:00 at East Hancock Library. You must register by calling 467-9240. This workshop is part of the Good to Know Series and will cover such things as a 5-step action plan to help young people in crisis and non-crisis situations. Uncle Joe's Pizza is providing breakfast and lunch. This amazing free resource is also available at the other library branches on different days. Please call 255-4800 to find out the other dates and locations.

Sit and Be Fit continues to meet on Fridays at 10:30. Come on in and flex those muscles!

Crafty Chicks continues on Fridays at 12:30 but has a name change! This group will now be known as Adult Crafts and Conversation. Sounds great!

Adult Acrylic Painting will be on Monday August 7 and 21 from 2-3. Children's Acrylic Painting meets every Thursday. Call 255-4800 to confirm the time. Come have some fun for free!

Senior Village provides a variety of activities every Tuesday and Thursday at 10 at the library. If you're not going, you're missing out!

If you don't have a library card, stop by and get one. You will have access to not only thousands of books, eBooks, audiobooks, and DVDs, but also online magazines, newspapers, and data bases of all kinds. What a

tremendous resource at our doorstep. Wow.

See you at the library!

Grief Support Group: Help for the pain of losing a loved one

If you have lost someone you love, you know just how painful and unbearable the feelings are. If you are still suffering the pain of loss or know someone who is going through this, there is help. There is a 6-week Grief Support Group that will be meeting again beginning September 6, 2023. If the loss was recent, or even sometime in the past, it can be a helpful way to deal with the lingering emptiness, loneliness, and host of other feelings that accompany death.

Grief is a normal human experience. If you are in a relationship in your life, whether it is marital, parent/child, sibling, friendship, or committed partnership, you will experience grief if one of the persons die. Grief expresses itself in a vast number of ways. It may be very clear that you are in pain from the loss. It can affect sleep, appetite, work, mood,

thinking, productivity, or other relationships. If you find yourself "off" since your loss, that may be the way you are doing grief.

Regardless, there are ways to soften the pain, and one of the most effective ways is to share the loss with others who are also going through grief. A grief support group provides a safe, confidential place to share individual memories, thoughts, and feelings with others who understand your pain. As you listen to others in the group talk about their loss, it also has a healing effect for each member of the group.

Please consider joining this group that is being offered in the Diamondhead community. It is facilitated by

I am Channing Reynolds, born and raised in Hancock County. My roots are planted here and I'm here to stay. I am a proud, full-time father to an 8 year old boy, Tucker, who is my pride and joy. I hope to raise my son in the safest community possible. I am the proud owner of a small business, T.C. Reynolds Trucking, LLC, which I built from the ground up. Hardwork and dedication has brought me great success in my business which is something I take pride in.

Prior to starting my trucking business, I became a state certified law enforcement officer and gained over 7 years experience while working at the Hancock County Sheriff's Office. Throughout my career with the Sheriff's Office, I served as a patrol deputy and narcotics agent. Safety in the community and proactive patrolling were two of my top priorities each shift as they often go hand in hand. My proactive patrol style along with a high number of narcotic based arrests led me to being promoted to the position of Narcotics Agent. During my time in that position I was able to focus on my passion for removing dangerous drugs from the streets of our community.

I take the opportunity in giving back to the community whenever I can and enjoy coaching football with the Diamondhead Spartans in my spare time. Late last year I took on the position of President of the Diamondhead Youth Athletic Association. I am extremely proud of the progress we have made in bettering the organization in a short period under new leadership. In my free time, you can often find my son and I in a boat or tree stand. Hunting, fishing, and finding peace in the world around us is a passion I am forever grateful to pass down to my son. I am often said to be a straightforward and no-nonsense individual, which are underrated qualities that need to be brought back into police work.

The person we entrust with being the Chief Law Enforcement Officer of our county should be a law enforcement officer with the knowledge and skillset to protect us, along with someone relatable that appreciates the culture and beauty of our county. This is why it is important and immediately necessary to take politics out of police work and put the Hancock County Sheriff's Office in the hands of the men and women who not only understand the profession but who have also served the community they swear to protect.

Your voice matters! Your vote matters!
Together we can bring the change this county desperately needs!

Thank you all and I look forward to getting to know you all as well. You can reach me at 228-216-6757.

“TAKING POLITICS OUT OF POLICE WORK”

Restructure the Sheriff's Office to increase patrol visibility and reduce response times.

Improve school security by placing a deputy on every campus.

Prioritize drug enforcement efforts to reduce violent crimes, property crimes, overdoses, and access to illegal narcotics.

Establish a community engagement division to improve relations between law enforcement and the people we serve.

Conduct quality criminal investigations resulting in more convictions and the recovery of stolen property.

Foster a positive work environment to ensure we recruit and retain a qualified staff.

Implement programs aimed at protecting our senior citizens and reducing youth violence and delinquency.

DIAMONDHEAD WOMEN'S CLUB

We are working diligently thru hard work, creativity and friendship to continue our efforts to 'Support and Celebrate Women'.

Please join us at our next meeting in September, for our annual Meet and Greet. It will be held on Wednesday, September 6th at 11a.m. in the Diamondhead Community Center. We will have Bubbly, Salad Bar and Desert. Pink Heart Funds and the Hancock Food Pantry will be presented with the donations from our club from funds raised at our Glitz & Titz fund raiser that was in April 2023. We will be collecting the dues for the new year of \$20.00 along with taking photos for our directory.

Here is a brief look at our upcoming events, speakers and fund raisers:

In September, will have our Meet and Greet at the DH Community Center. Details above.

In October, we plan to celebrate the First Responders of Diamondhead.

In November, we are having a "Holiday Card Creating" class.

In December, we will have our annual Holiday Celebration Luncheon. And collecting donations for Veterans in Need. Hats, socks, etc.

In January, We have our annual Fashion Show, thanks to Allison at Exit16.

The ladies from the Diamondhead Garden Club spent many hours refurbishing the courtyard of the Memory Care Unit at Woodland Village. Most of the plantings had died and needed to be replaced, new planted areas were also added.

Looking forward to seeing all of the latest trends.

In February, this will be our Heritage Program, learning all about the history and heritage of Diamondhead.

In March, it will be a Charity Expo. Stay tuned for more details on this meeting.

In April, we will be finalizing all of our plans for putting on the Glitz & Titz fundraiser, set for April 16th. Benefiting Pink Hearts Fund. Mark your calendars as these tickets sell out fast.

In May, we will have a speaker from the Diamondhead POA giving us an up-

date on the happenings in DH and what to expect in the rest of 2024.

Along the way, we will also be plan-

ning a Poker Run and a Restaurant Gift certificate Raffle. Dates/Time and benefiting Charities TBA.

The theme for our DHWC is Supporting & Celebrating Women. The objective of this club shall be to promote an informed and active interest in the civic, social and moral welfare of the community: to serve the community through the dedication of time and energy for worthy purposes; and to undertake and complete one or more charitable, humanitarian or social welfare projects each year.

Our meetings (we do not meet in June, July, or August), are held the first Wednesday of each month from September to May, beginning at 11:00 a.m. at the Diamondhead Country Club, Emerald Ballroom. Membership is \$20.00 and is open to all women.

Dates and times for upcoming meetings, events and fundraisers to be announced in upcoming issues of this publication and you can follow us on Facebook.

For more information about the Diamondhead Women's Club or any of our events, please contact the DHWC Pres-

One of the garden club ladies who is an artist painted flowers on the fencing of the gardens. It surely brightens things up.

and what will be happening for the upcoming year.

Looking ahead to the coming season. The first event in the works is the annual Theme Party, which will encompass the theme 007 and will take place on August 12th. The event will be open to the public with tickets being purchased in advance. The theme party allows everybody in the krewe one last chance to enjoy the previous theme before the announcement of the court elect and the new Mardi Gras theme, which will take place on October 15, 2023.

The Theme Party will encompass a silent auction with items being donated from local businesses, and individuals. This is a fun time that you don't want to miss. Contact Margaret Giarrusso, Social Director at mgia-russo13@gmail.com or check out of Facebook page for more information on this and all upcoming events.

The Krewe of Diamondhead is currently accepting applications for membership. All information on single and couple memberships can be located on our application, which is posted on our Facebook page or can be sent by email from our Membership Director, Gina Newman, Regina.Newman09@outlook.com.

The Krewe was formed as a civic body for social purposes and Mardi Gras entertainment.

BOATERS SUMMER 2023 PARTY: JERRY AND PHIL GILLEN NAMED BOATERS ROYALTY FOR 2024

Jerry and Phil Gillen, long-time members of Boaters' Krewe of Kamehameha, have been selected as King Akua Kai the 48th and Queen for the 2024 carnival season.

Commodore Jim Miller made the announcement at the Boaters' annual Summer Party on June 24 at the Diamondhead Country Club.

In nearly 30 years as mem-

Boaters Royal Court 2023

bers, the Gillens have served in multiple capacities, including as chairs to various parties and balls and as court members of previous royalty. Queen-elect Phil has served on the Boaters Board of Directors and in 2005 was the recipient of the Dolphin Award, which symbolizes a member whose selfless efforts epitomizes the association's mission to promote camaraderie among members and to preserve the history and traditions of the Krewe of Kamehameha.

King-elect Jerry announced members of his court-elect. John Hutchings will serve as Equerry and his wife Gail will serve as Lady in Waiting. David Riso was selected a Duke, and his wife Renee a Maid. Norm Cantrelle will also serve as a Duke and his wife Dori will be a Maid in the new court.

Commodore Miller opened the festivities with a welcome to all and recognition of the current royalty, King Akua Kai the 47th Ronnie Lafontaine and Queen Elaine LaFontaine who introduced members of their court who were present.

Miller then introduced members of Alii, past royalty, in attendance that included 1995 Queen Terrie Downie, 2001 Queen Pam Marshall, 2005 Queen Josette Grace, 2015 Queen Renie Dack, 2016 King Ron Rech and Queen Paula Gonzalez, 2018 King Richard Brown and Queen Bobbie

Yaniga, 2019 King Joe Murray and Queen Mary Craig Murray, 2020 Queen Janie Dropco and 2022 King Val Miller and Queen Barbara Miller.

Chair Dori Cantrelle and her committee of one - husband Norm - created a patriotic environment with the event theme "Stars, Stripes and Smiles." Table centerpieces were red, white, and blue firecrackers with soft white flowers, and members were resplendent in their various wardrobes that paid tribute to our nation's flag and traditions.

The meal served was a petite wedge salad, grilled Mahi with shrimp atop a summer white wine sauce with veggies over pasta with pineapple upside down cake for dessert.

The evening's music was furnished by Johnny Fung, whose selections of popular dance music had nearly 150 attendees on their toes until the end.

DH GEAX HIKING CLUB NEWS

Someone asked us, "Do you hike all year 'round?" The answer is, "Of course!" But we do get creative about "hiking" when it's really, really HOT! Sooo... July hikes included a sampling of outdoor and indoor (yass... they have AC) "hikes".

Let's start by remembering our July 1 picnic (ok, so it wasn't much of a hike, but it was fun!)

and fireworks appreciation night (courtesy of the City of Diamondhead—bravo to them). We had great seats, (yeah, well, we got there a bit early and "circled the wagons") and enjoyed the food we brought to share and grooved to the music.

And... on July 12, a few of us hike-wandered around the Biloxi Visitors Center (in air-conditioned comfort... heh-heh) taking in the history of Biloxi told through photos and narrations of the experiences of those who lived them. They came from France, Croatia, Vietnam, and right here in Mississippi. These fishermen, boat-builders, civil-rights crusaders, grocers, lumberjacks, restaurateurs, and many others laid the foundation of the coastal culture we experience today. This display provided high-quality insight and extended our knowledge of the history of our region.

As we go to press, there is one more hike (Thursday, July 27): to the Infinity Space Center which we will report on in later articles (we hope to have a "blast"!... ok, ok...)

Now, to our August calendar...

Saturday, August 5, we'll once again "take a hike" at Fontainebleau Nature Trail in Ocean Springs. This regularly-scheduled hike is guided by a knowledgeable expert and will highlight current events in this ever-changing habitat. This free

hike is sponsored by the Jackson County Recreation Department, Mississippi Sandhill Crane Wildlife Refuge, and the Audubon Society.

Thursday, August 10, we'll travel to Mobile to the Exploreum Science Center. With numerous interactive exhibits, thought-provoking larger-than-life giant screen films, and fun, hands-on educational programming, the Exploreum Science Center aspires to increase science literacy among the people of south Alabama and the Gulf Coast region, residents, and visitors alike. By sparking imagination, creating curiosity, and instilling a sense of wonder in the world, the Exploreum has been a cornerstone of informal learning on the Gulf Coast since its inception more than 35 years ago.

Wednesday, August 23, Return to Beauvoir and grounds, the last home of Jefferson Davis, the President of the ill-fated Confederate States of America. This meticulously-appointed and maintained home provides an understanding of the construction methods that enabled the home to survive numerous assaults by hurricanes. The house was built from area cypress and longleaf heart pine processed in a sawmill in nearby Handsboro. Roof slate was imported from Wales. imported from Italy. The house, containing nine rooms and a long reception hall, was built on sixty-two eight-foot-tall brick piers, elevating the house so that sea breezes could pass under, around, and through it thus keeping it cool. In doing so, it inadvertently saved the house from storm surges.

Ya wanna join the DH Geaux Hiking Club? No prob! Just show up at one of the hikes. Don't live in Diamondhead? Well, Ok... we don't check zip codes. Worried about dues? Duh...there are no dues. However, ahem... you are responsible for your own lunches... All ages and abilities are welcome (yup we occasionally have little kids and people with canes join us... sooo?). However, don't think that this is a cream puff group. Nope... especially not after this summer heat subsides... <js> sigh.... Pass me the ice...

In addition to this newspaper, you can also keep up with us on our Facebook page: DH Geaux Hiking Club.

Our next planning meeting will be Tuesday, August 1, 2023, Kanaka Room, DH Country Club 6:00pm.

WINE CLUB

The **Diamondhead Wine Club** is dedicated to the exploration and enjoyment of wine. At each monthly tasting, we sample at least six different wines and learn a little about their history and origins. The Club is open to any who are interested in enjoying and learning about wine. Join us at our upcoming tastings:

Thursday, Sept. 21st - Italy vs. USA - 7:00 at the Club

We're bringing back one of our favorite evenings, comparing three Italian wines with three American wines. You get to vote on which wines you like best. Italy produces a very wide range of wines, most of them excellent. And of course, so does the USA. Come see what we come up with this time!

Cost is \$40 for DWC members and \$50 for guests. Please make your reservations by mailing your check payable to DWC to: P.O. Box 6523, Diamondhead, MS 39525 or by emailing Lou at louertel@aol.com or Marshall at mekygs@mail.com.

DIAMONDHEAD GOLF BY CHRIS ALTESE, PGA DIRECTOR OF GOLF

Thanks to the hard work by Dan Hamman, Golf Course Superintendent, and our golf course maintenance team, The Club at Diamondhead's Pine and Cardinal golf courses are in beautiful condition and a joy to play. Please come out and see for yourself and enjoy our great golf courses this month. Be sure to like The Club at Diamondhead Facebook page and Instagram page to keep current on happenings and specials.

Our junior golf development clinics and camps continue to be well attended and are happening year-round. Our golf professional staff and academy instructors do a great job introducing the game to these youth golfers. It is very exciting to watch The Club at Diamond-

head grow the game. If you ever wonder about the future of golf just come watch how much fun these juniors are having while learning this sport that you can play for a lifetime. Even though these juniors are learning at an early age it is never too late to take up the game. Let us know if we can help you pursue learning how to play.

Some of our older junior golfers continue to compete in the local area and state tournaments with impressive results. Many of our juniors competed in July in the Mississippi Junior Amateur Championship held at Mossy Oak in West Point, Mississippi. We are looking forward to seeing how they fared. Some of our juniors have also been attempting to qualify to play in our USGA national championships. The Club at Diamondhead has had juniors in the US

Kids Golf World Championships in Pinehurst for 8 years in a row now...amazing accomplishment! We also now have juniors qualifying and competing in the Under Armour Junior Tour's World Championships in Orlando this summer.

Congratulations to our winners in the Magnolia Classic! It was a fun weekend celebrating and competing. 48 teams took to the links on July 1st and 2nd. With two incredible rounds of golf, we determined our overall champions...Chris Morrison & Jay Sanders. Chris and Jay shot 57 on the Cardinal and 61 on the Pine for an incredible -26. The team of Robby Russell and Rob Murphy won the Southern Magnolia Flight at -15. Cliff Burgoyne and Brian Knight won the Sweetbay Magnolia with -9. The Big Leaf Magnolia Flight was won by the team of Debra

Shea-Phillips and Jerry Phillips at -7. Michael Lindell and Don Schwander won the Yellowbird Magnolia Flight at -2. In the Lazy Magnolia Flight, our champions were Don Crosby and Tyler Hale with a score of -2. A great time was had by all!

The Women's State Amateur Championship, conducted by the Mississippi Golf Association, was contested on the Gulf Coast in late July. Diamondhead may have the strongest ladies' golf participation of any golf facility in our area. We look forward to following our Diamondhead ladies in this state championship and wish them the best in the competition!

Even though we have eliminated the "No Carts" signs and the need for a handicap flag for golf carts on the golf course, we still have rules that apply to all golf carts. Golfers, with or with-

out a handicap flag, must keep their carts a minimum of 30 yards away from greens/greens surrounds (bunkers, mounds, etc.) The handicap flag, for those that may still have one, does not allow players to drive off the cart path when we are cart path only or any closer than 30 yards of the greens/greens surrounds. Also, carts must return to the cart path side of the hole being played. Please do not go around the side of the green opposite the cart path. We appreciate everyone's cooperation.

On a course maintenance note, please make sure that you are keeping all four tires of your golf carts on the cart path around all greens and tees. A common tendency is to pull

off closer to the green or tee so others can drive around. We ask that you park with all four tires on the cart path and then others can drive around the outside if needing to pass. This will put all wear and tear from the cart traffic outside the cart path and will help us tremendously with turf conditions on the golf course. Next time you are out pay attention to how good the overall turf conditions are and then take notice of the turf conditions adjacent to the most played tees and common pull-off areas around the greens. We can do our part to stop this and help our golf courses look even better!

WE'RE FOR AND WITH YOU! FRIENDS OF TRUST

TIFFANY LEE COWMAN CHANCERY CLERK

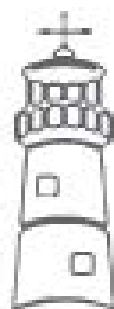

I am Tiffany Lee Cowman and I am running for Hancock County Chancery Clerk. I am a life long resident of Hancock County. I am a graduate of Hancock High School. I received a Bachelor's degree in Mathematics from The University of Southern Mississippi, a Master's degree in Leadership from Arkansas State University, and I am currently completing my Doctorate degree in Curriculum and Instruction through Valdosta State University.

I am a National Board-Certified teacher of fifteen years serving both Hancock County School District and Bay Waveland School District. Over these years, I have taught thousands of students in our community. I am an active member of St. Matthew Catholic Church. Through my teaching experiences along with my volunteer services in the area, I have created and maintained friendships with many members of Hancock County. Because of the people in our community that have shaped my life, I have a vested interest in the success of our county.

The seat of Chancery Clerk plays an important role in the heart of the judicial structure of our county. The responsibilities range from general provisions of chancery court, marital changes, matters of estates, youth court and business of minors and persons in need of conservatorships to supreme court appeals, annexation, bond validation, and a variety of other non-court related duties. My career background in mathematics and education along with my experiences and trainings with people and processes have provided me with the skills to oversee the accuracy and accountability of these services.

Our Chancery Clerk office has been running smoothly for 25 years at the leadership of Tim Kellar. The clerks in the office are experts in their field, contributing to this success. My hopes for the future in this position would be to continue the success of the office, bring new energy and ideas to improve areas of need, and to grow in knowledge of our community so that I may make a positive impact to the growth of Hancock County.

DWGAN BY SHIRLEY HALTERMAN

By the time this article appears in print I certainly hope the temperatures have moderated a bit. The current high temperatures are causing some of our gals to rethink coming out to play.

On Tuesday, June 6th, we played a Scramble Free Throw format. 19 gals signed up to play this format. In a Scramble/Free Throw game all team members hit the ball and the team chooses the best ball. Each team member then hits from this location and so it goes for all nine holes. Concerning

the Free Throw, each team can pick up their ball and throw it without penalty and without counting that stroke. This can be done one time per hole. Once the team has decided to use their "free throw" all the players on that team must use the free throw. For example: if you are behind a tree, you can pick up the ball and throw it onto the fairway. If you are in a sand trap, either in the fairway or green side bunker, you can pick up the ball and throw it down the fairway or towards the pin. If you choose to use this when you are on the green, you can roll the ball towards the hole. If you are in a position where you would normally take a drop and add a penalty stroke, go ahead and take the drop but do not add the penalty stroke. Following are the winners of this round. Hats off to the team of Sharon Gerchow, Sue Hebert, Audrey Ramirez and Pat VanDervort for grossing 29 (a net of 22) for the round and achieving 7 birdies and 2 pars. Needless to say, they took First Place while Second Place went to the team of Nancy Barker, Pattie Blackwood, Therese Mauterer and Janice Murray. Third place was interesting with a tie between Judy Tauzin's team and Tracey Garriga's team, both scoring a gross of 33. Comparing the last 6 holes, both teams had grossed 21, still a tie. Comparing the last 3 holes they were still in a tie. It was the 9th hole that eventually broke the tie with Tauzin's team scoring a Birdie while Tracey's team came in with a Par. Therefore, third place honors go to Ruth Holmes, Mary Craig Murray, Ruthie O'Neill and Judy Tauzin. Always fun when it is a close race.

Our usual Trophy Day was held on Tuesday, June 13th, a week later than we usually play this format. The game was played on the friendly Front 9 of the Cardinal course. Fifteen brave souls came out to play in the tremendous heat. And the

June Trophy Day winners were: Flight 1 winners - 1st Place = Tammy Lippon and 2nd Place = Nancy Sislow. In Flight 2 the winners were: 1st Place = Ruth Holmes, and in 2nd Place = Mary Murray. Flight 3 winners - 1st Place = Pattie Blackwood and 2nd Place = Pauline Singer. In the Lowest Putts Competition, Tammy Lippon took first place in Flight 1 with only 15 putts while in Flight 2 Susie Fontenot took the honors with 17 putts. Pauline Singer scored the honors in Flight 3 with only 12 putts. Great putting gals! As to the Closest-to-the-Pin challenge, Pat VanDervort came closest to the pin on Hole 4, while Tammy Lippon did it on Hole 7 and, Brigitte Becker (on her second shot) on hole 4 and Kathy Jones (on her second shot) on hole 7 shared the honors. Meanwhile, Pat VanDervort had a Birdie on Hole 4. Tuesday, June 20th, was supposed to be Five Clubs + a Putter. However, Mother Nature had different ideas and after several holes our 17 brave souls had to leave the course due to lightning in the area.

On the final Tuesday of the month, June 27th, we once again attempted to play the Five Clubs + a Putter game that we tried to play before the weather interrupted us. As only 15 gals ventured out to play the back 9 of the Cardinal Course, we only fielded two flights. Flight 1 Winners: 1st Place = Margaret Sherwood, 2nd Place = Judy Tauzin, and 3rd Place = Nancy Sislow. Flight 2 Winners: 1st Place = Mary Mizell, 2nd Place = Janice Murray and 3rd Place (in a scorecard playoff) = Nancy Baker.

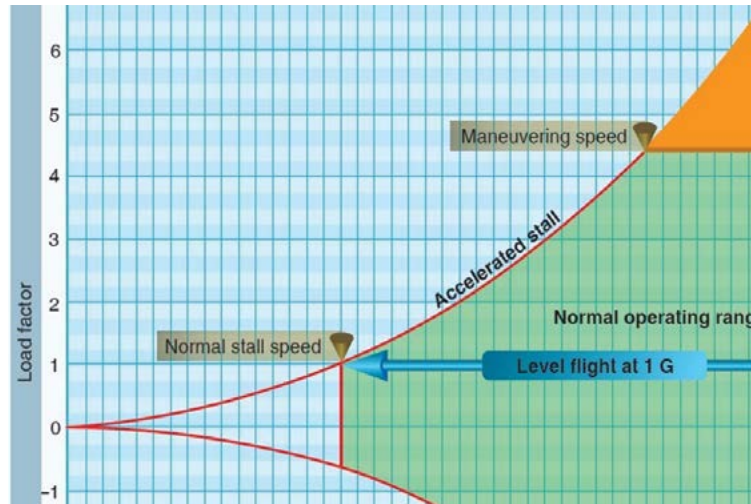

I guess we are beginning to see who the stalwarts are and who the fair-weather golfers are in our group. Praying for some cooler, less humid, weather we will provide stats on our July adventures and encourage you to join us in the pursuit of the little white ball down the green fairway.

Diamondhead Aviator -- Incidental Learning

BY PAUL GILBERT

In the movie, *The Matrix*, Neo and his friends could learn just by having a program loaded through a computer port in their skulls. As great as that would be, we still have to do the hard work of manually inserting data into our organic memory banks.

I'm active in some online pilot mentor and general aviation groups and I enjoy seeing new pilots starting that exciting climb up the experience ladder. As they're studying for certificates or ratings, they'll occasionally ask questions. Quite often, I'll be considered mean for responding to those online questions with an FAR, AIM or Pilot's Handbook of Aeronautical Knowledge (or similar) reference. In our modern day world of helicopter parenting, many people consider it mean to tell someone to do their own research. But we're not helping them by just handing them the answers. In trying to make things easier, we may

V-G Diagram. Photo from the Pilot's Handbook of Aeronautical Knowledge.

actually handicap them and this will show when those students face an examiner for a certificate or rating test.

Incidental learning is defined as learning that is unplanned or unintended. It's the unintended byproduct of activities like reading, taking a class or even watching someone doing

something technical. While doing research, we will usually gain more insight into the 'big picture' because we discover interesting connections to other information.

Sure, it's easy to ask, "How do I do that?". But doing the research allows us to fully understand the material. What if

you're trying to learn about what makes an airplane turn? Going online and asking random people for the answer will give you a few informed responses buried in a mass of wildly creative but wrong answers. But in the end, if you DO get the correct information, you've got the data but not the full understanding behind that data.

Now you have the correct answer, horizontal component of lift, and you go to your check ride with that canned answer. Then the examiner asks follow-up questions? What about load factor? What exactly IS the horizontal component of lift? How does that affect the vertical component of lift?

Asking directions to a store, you'll get directions to that store. No insights into alternative shopping locations, advice on avoiding traffic dangers along the way, or in-depth discussions about shopping methods.

When a student digs into

the books to learn about what makes an airplane turn, they start reading about lift produced by the wing, vector mathematics, load factor, angle of attack, critical angle of attack, the V-G diagram and more. And when the check ride comes, they'll be able to confidently answer the question and any follow-up questions because they will have truly learned the material.

As the saying goes, nothing worthwhile is easy. Before asking Google or online groups for the answer, spend some time in the books. You'll be surprised how much you can learn. When check ride time comes, you'll be able to dazzle that examiner with not just the correct answer but a more complete understanding of the how and the why.

Best of luck on all of your educational endeavors and I'll look for you on the flight line.

Diamondhead Marina -- progress is happening

**BY DIANE SIMONSON,
HARBOR MASTER**

Ahoy Mates! Hopefully, everyone is staying hydrated in this heat wave! I want to acknowledge Gerard Gautreau and his company, Integrity Window Fashions, LLC. I sincerely thank you for the generous gift of custom-made blinds donated to the Ship Store - they look fantastic and help keep the store cooler. There was a great show of Marina tenants watching the Diamondhead fireworks display! Next year I would like to host a BBQ for all tenants and the families on that night, it could be great fun for everyone. Knowing that the Mayor is allowing golf carts to drive over on that night, if you are a tenant and have a permit for your golf cart, we will give you a Marina sticker to

park in front of the ship store. The Marina is doing well with sales - thanks to all who patronize the ship store and continue to make it a success. When it cools down in the fall, we would like to have a fun night playing horseshoes now that there are four horseshoes. The Marina is almost fully occupied! Three are open & three have monthly renters in them, which is a flat rate of \$200 monthly instead of by the foot. Have a fun and safe summer.
