## FROM THE DESK OF THE PRESIDENT

BY ERNIE KNOBLOCH  
**President's Report**  
FOR OCTOBER 2023

DH Fall Fest ---October 21, 2023, from 11am – 4 pm in the circle in front of the Club. There will be handmade arts and crafts, jewelry, local savories, artwork, food trucks, and a DJ.

Loads of fun for all ages. You can sign up in the Golf Shop for the Fall Festival Golf Scramble which will be played in the morning that day.

I was asked what would/could happen if the POA loses the ability to require dues. At this time, there are several variables involved which will only be answered by a final decision by the MS Supreme Court. The latest estimate I've seen is that it may take two more years to get a final decision from the MS Supreme Court. Obviously, losing the ability to require dues would result in significant changes to the POA which could negatively impact the homeowners.

Since the POA has the fiduciary responsibility to maintain an estimated \$20 - \$30 million of amenities, no one knows exactly what would happen.

I was asked about the amount of money spent on our 4 swimming pools. The four swimming pools in 2022 required about \$137,000 in payroll and benefits, \$34,000 in chemicals and \$66,000 in utilities for a total of about \$237,000 in expenses. The total income from guests was approximately \$8,275.

This results in around \$228,725 being allocated from dues. In my report in the November issue of the DH News, other costs that are paid for by our dues will be included.

Some people believe that the amenities pay for themselves. That is not correct.

All the members in good standing that purchase items in Latitude 30, the Oak Room, golf shop, tennis shop, receive a discount on the gross prices shown. The total discount received for purchases by all members in good standing during 2022 amounted to \$20,000 per month or \$240,000 per year. These discounts are a nice perk for paying dues.

DH recently hosted the sixth annual U.S. Kids Gulf Coast Invitational Golf Tourney. The two-day event included around 110 golfers from Colorado,

Missouri, Florida, Virginia, Texas, Arkansas, Georgia, Tennessee, Alabama, North Carolina, Louisiana, Mississippi, and a player from Mexico as well as China. The players ranged from 5 – 14 years old, so many parents attended, also. I happened to talk to 3 sets of parents, and they were amazed at the quality of the course and our community. Many of our experienced golfers were amazed at the quality of these young players.

Although not directly related to the POA, did you know that half of all the passports in the US are produced in the Stennis Secure Production Facility in Hancock County? Since the facility opened in 2008, about 91 million blank passport books have been produced. The Stennis staff is expected to have around 150 employees in the near future and some of the employees live in DH.

The POA has leased the athletic fields at the end of Noma Drive to the city for \$1 per year for 10 years. The purpose is to help the city start a recreation department and provide team sports which the POA is not able to offer. The POA updated a step-down transformer and the

city paid for the installation.

This is a good example of the POA and the City working together.

to benefit our community. The POA is also refurbishing the baseball fields in East Rec with the help of the youth baseball coaches.

# East Hancock Library activities scheduled in October

**BY MARY GOBERT**

So, is it Fall yet? It's supposed to be, and we probably have never looked forward to it as much as when it officially came in September. Hopefully that blistering summer will turn into a long, cool autumn! No matter what the weather is, the library is a good place to be for so many reasons. For example...

Do you know of a website, blog, podcast, video, or other online content important to Hancock County and the Gulf Coast? If so, let the library know! Our library system is participating in a huge service project by setting up a web archive. What is that? In early 2023, Hancock County Library System

(HCLS) was chosen to participate in "Community Webs". Community Webs consists of over 150 cultural heritage organizations preserving web-based community data. By archiving born digital web content, information that could change or disappear is captured and preserved. Call any library branch for more information. East Hancock Library's number is 255-4800. I hope you've been thinking about that Holiday Tree Gala! This will be the 29th year we have celebrated the holidays this way. Last year there were over 140 trees spread over the five branches and more than 12,000 visitors viewed them. Individuals, businesses, and

organizations, call 255-4800 to reserve your spaces now! What fun this is for patrons and clubs and organizations, and what wonderful advertisement for local businesses!

Remember the Pascagoula Alien Abduction? Whether you do or you don't, here's a fun thing for your calendar on Saturday, October 21st at 10:00 at our library. The Science Cafe Program will commemorate the 50th anniversary of this newsworthy moment with a talk about the events of that day. I know I'll be there! In addition to the wonderful things above, we continue to provide so many opportunities for growth and community every day of the week as follows:

**Monday's Activities:** Each Monday at 10:30 we have Storytime for the preschoolers. Literacy, crafts, and socialization create a winning combination for your child. **First and Third Mondays** (Oct 2 and 16) from 2 to 3 we have Acrylic Painting for Adults. All supplies and instruction are provided. **Second and Fourth Mondays** (Oct 9 and 23) from 2-3 we have Make and Take Paper Crafts. All materials and instruction provided.

**Tuesday's Activities:** Each Tuesday at 10 Senior Village meets for various programs and activities. Check Facebook for the calendar!

**Wednesday's Activities:** The second Wednesday of

the month at 10:30 is Book Club. October's book is The Sundown Motel by Simone St. James.

**Thursday's Activities:** Each Thursday Senior Village meets again at 10:00 because they just can't fit all the fun in on Tuesday! Come join them! Each Thursday at 3:30 is Acrylic Painting for Kids. Instruction and supplies are provided.

**Friday's Activities:** Each Friday at 10:30 class meets for Sit and Be Fit. Some people are getting so fit! Each Friday at 12:30 Adult Crafts and Conversation meets. Bring your knitting, crochet, painting, beadwork, whatever! make friends with other crafty adults while you work!

### DIAMONDHEAD WINE CLUB

The Diamondhead Wine Club is dedicated to the exploration and enjoyment of wine. At each monthly tasting, we sample at least six different wines and learn a little about their history and origins. The Club is open to any who are interested in enjoying and learning about

wine. Join us at our upcoming tastings:

**Thursday, Oct. 19 - South African Wines - 7:00 at the Club**

Many of us remember last September when Suzaan Laing, owner of South to South Wine Importers, appeared at the Wine Club with six of the South African wines she imported. Those of us who were there remember her exceptional presentation as well as the great wines we tasted.

We are pleased that Suzaan is returning to us to sample some of the new wines now in her portfolio. Lou and I recently had the privilege of tasting six of the new wines and they were good to outstanding. Let's find

### KREWE OF OLYMPUS

Krewe of Olympus Coronation

The Krewe of Olympus said farewell and thank you to their 2023 royalty and announced a new King and Queen for the upcoming season on September 9th at The Club at Diamondhead. Amongst creamy roses, gold décor and softly lit columns guests were treated to a celebratory evening which wouldn't have been possible without event chair, President Eileen O'Brien, and her decorating committee. King Zeus XV Wayne Ponthier and Queen Hera XV JoAnn Ponthier's last encore was filled with cocktails, great service from The Club's staff and stylish music by Southern Voice.

The night's formal festivities began with master of ceremonies, Eileen O'Brien, introducing Olympus' board of Directors, recognizing new members, and asked for a moment of silence for the members the Krewe has recently lost. Thereafter the reigning court of 2023, Apollo Ken Griffey his Aphrodite, Angela Griffey and King Zeus XV Wayne Ponthier his Queen Hera XV JoAnn Ponthier promenaded through the Emerald Ballroom for one last time. A special appearance was made by Queen JoAnn's peacock which had made its first appearance during the 2023 Grand Ball in January.

Before the new court was announced, partygoers were left in anticipation as the master ceremonies revealed the

Grand Ball's theme, Phoenix Rising. With an anxiously awaiting crowd and a three trumpet blast the Krewe of Olympus' 2024 Royalty Court is, King Zeus XVI Timothy Simmons and Queen Hera XVI Katherine Simmons Cobb! Queen Katherine looked beautiful in her black cocktail dress. While this fun duo reign throughout the season they will be assisted by Apollo Jamie Kingston and Aphrodite Alison Kingston. Royalty Chair Eileen Boudin Lindquist bestowed a bouquet of red and white roses to the Queen and Aphrodite and boutonnieres to the King and Apollo. King Timothy Simmons and Apollo Jamie Kingston wore matching Phoenix ties and socks, and Aphrodite Alison Kingston adored a strapless black frock. The newly coronated King and Queen wrapped up the ceremonial part of the evening with a dance to Earth, Wind and Fire's "September". The soirées committeemen, who are always instrumental in aiding the Royalty during the tableau, were Doug Maxwell and Marty Zavatchan.

It was a magical soiree for Olympus, but especially for the new Royalty. The Krewe will hold its Grand Ball on January 20th. All Hail King Zeus XVI Timothy Simmons, Queen Hera XVI Katherine Simmons Cobb!

In August we visited Beauvoir, the last home of Jefferson Davis, the President of the ill-fated Confederate States of America. We wandered through the cemetery, observed the tomb of the unknown soldier and read the stories of many of those interred there. We also toured the home and were enchanted by the narration provided by our guide, who really brought history to life. We also examined lots of artifacts in the museum

and browsed through the library of books focused on the Confederacy and life in the south. Our lunch spot was, fittingly, Mary Mahoney's where southern cuisine is featured. Delish!

In early September we explored the Hong Kong Food Market in Gretna, LA, and found a truly unique experience as the aisles featuring Asian foods: canned, dried, and packaged; spices, flavorings, oils, vinegars; plus fresh meats, fish, fruit and vegetables. There was also a selection of Oriental goods and cooking utensils of all kinds. We met up with Obie, who had already made friends with a regular patron, who revealed herself as a former Miss Israel (ya gotta know Obie). While there were some special local sandwiches offered for sale, and made fresh while you wait, there was nowhere to sit down to enjoy them, so the group chose the buffet at the nearby Asian Panda.

Our October calendar is chock-full of hiking (mostly) and, of course, EATING opportunities.

**Wednesday, October 4** —Cruisin' the Coast viewing party. The cruisers will line up in the parking lot area in front of Diamondhead starting at 1:30pm and parade through Diamondhead 4-7:00pm for the Blessing of the Classics. We'll gather at Robert & Jan Redd's house and watch from the median across from their yard. Bring an appetizer to share, a chair and your cooler filled with your favorite beverages. PS—There are Cruising events all week; watch our FB Page for "pop-up" hikes.

**Saturday, October 7**—Our regularly-scheduled first Saturday of the month hike at Fontainebleau Nature Trail in Ocean Springs. This hike is guided by a knowledgeable expert and will highlight current events in this ever-changing habitat. This free hike is sponsored by the Jackson County Recreation Department, Mississippi Sandhill Crane Wildlife Refuge, and the Audubon Society. Meet a bit before 8:00am at Twin Lakes. The Hike starts at 9:00am in Ocean Springs. Leader: Sheila Edwards

**Wednesday, October 11**—Travel to Dauphin Island in Alabama. On the island we'll have many hiking choices, including the Audubon Garden and Bird Sanctuary (and boardwalk and almost 5 miles of trails) Free; Aquarium (\$12), which houses more than 100 species of marine wildlife from Alabama's four

major coastal ecosystems: the Mobile Tensaw River Delta, Mobile Bay, barrier islands and the northern Gulf of Mexico; and Fort Gaines (\$9) The fort was a crucial site for the south during the civil war. The well-preserved ramparts of Fort Gaines have guarded the entrance to Mobile Bay for more than 150 years. It was here that Admiral Farragut shouted his now-famous order, "Damn the torpedoes! Full speed ahead!" in the famous Battle of Mobile Bay. The fort has original cannons, a blacksmith shop, kitchens, a museum, gift shop, and tunnels. And, finally, don't forget the beaches (two of them), where you can wander through the surf looking for driftwood, shells, glass and other treasures. We'll spend the day on the island and have lunch together at the Pirates Bar & Grill, moving around the island and leaving for home whenever it suits the driver. Meet at Twin Lakes a bit before 8:00 to form car-pools for the 1 hr & 45 min. drive to the island. Leader: Debra Martin

**Tuesday, October 17**—Bellingrath Home & Gardens was built by Walter and Bessie Bellingrath. The 15-room, 10,500-square-foot home was built in 1913 and was designed by architect George B. Rogers, in the "English Renaissance" style. The home was the most modern of its kind in 1935, but Alabama Power had not brought electricity to this remote area of Mobile County. Therefore, the Bellingraths depended on a large Delco generator for electricity until 1940. The 65-acre garden offers blooms and beauty every day of the year. Guests are invited to explore two miles of pathways through the gardens on a self-guided walking tour. First opened in 1932, Bellingrath

Gardens is Alabama's oldest public garden. Lunch in the Bellingrath cafeteria (food is quite good) and dinner on the way home at El Rincon Tacos & Grill in Theodore, AL. Meet a little before 8:00am at Twin Lakes to form carpools. It will take about 1 hr & 20 min. to drive to Bellingrath. Leader: Debra James

**Wednesday, October 25**—Boat Trip to Ship Island to hike along the beach and tour the historic Fort Massachusetts. This trip was originally scheduled in May, but was cancelled by the boat Captain due to expected bad weather in the Gulf. Pack a small cooler/picnic lunch to eat in the covered pavilion or eat at the snack bar (hot dogs, hamburgers, grilled chicken wrap, water etc. at reasonable prices). Hat and sunscreen (and maybe even an umbrella) are strongly recommended, as there is no natural shade. Wear soft-soled closed-toe shoes on the boat; switch to flip flops later, if you want. You can swim in the gulf, if you wish; bring your suit and a towel. Beach chairs and large umbrellas available for rent; or bring your own bagged chair. There are restrooms on the island. You must carry everything you bring; no carts or wagons are allowed. Trip cost

\$42.00 per person. Credit cards are ok; however, they suggest cash as a backup, as Wifi to the island can be a problem. Meet at Twin Lakes at 7:30; need to be at the dock in Gulfport at 8:15 to get in line to confirm your ticket; boat leaves at 9:00am. It returns at 2:30pm and again at 5:00pm. You can choose either return time, depending on your carpool arrangements. Leaders: Marian Moletteri and Sheila Edwards

**Saturday, October 28** —Spooky Springs, the Halloween party at the Mary C. in Ocean Springs. 4-7pm; costumes are encouraged. Activities in and around the Mary C and along the streets in Ocean Springs. More information will be posted on our Facebook page (DH Geaux Hiking Club) as it becomes available. Assembly and departure times from Twin Lakes are TBD.

Our next planning meeting: Tuesday, October 3, 2023, Kanaka Room, The Club at Diamondhead at 6:00pm. Everyone is welcome, all ages and abilities. There are no dues. You are responsible for your own meals and any entrance fees. What are you waiting for? Let's Geaux Hiking!

### DIAMONDHEAD GOLF BY CHRIS ALTESE, PGA DIRECTOR OF GOLF

Now is a great time to get out on the Mississippi Gulf Coast and in Diamondhead! We are looking forward to everyone out on the golf course enjoying the game, outdoors, socializing with old friends, and meeting new friends. Doesn't get much better than golf in Diamondhead. Don't forget, booking online at [www.theclubatdiamondhead.com](http://www.theclubatdiamondhead.com) is the fastest and easiest way to book tee times!

The Shaka Club Championship was held on August 26-27. We saw some really good play from the entire field. Thank you to all that participated and congratulations to each of our winners.

Our Member-Member was a huge success with 52 teams competing this year. All flights were really close with some just a ½ point separating the top teams. Congratulations to our Lopez Flight winners, Therese Mauterer & Terri Woolbright, on winning the Shootout to claim the Overall Champions title. We really appreciate everyone supporting these incredible golf events at The Club. Congrats to our other flight winners... Nicklaus Flight-Blair Nutting & George Byrd, Snead Flight-Fred Wiles & Chuck Wald, Hogan Flight-Stephen Maul & Paul Mucho, Watson Flight-Jeff Wair & Tommy Hopper, Player Flight-Jimmy Doss & Uwe Seitz, Palmer Flight-Don Crosby & Lenny Fontenot, Trevino Flight-Jerry Brock & Tom Woolbright, and Wright Flight-Colleen Jones & Margie James.

In junior golf, Rowdy Foster (age 12) and Karstyn Altese (age

14) advanced through the Sub-regional Drive, Chip, and Putt Championship held at The Club at Diamondhead. They will both now be competing on September 17th at Champions Club in Houston for the Regional Drive, Chip, and Putt Championship. They are now one step away from the DCP National Championship to be held in April 2024 at Augusta National Golf Club. We are wishing them the best of luck!

Gulf Coast Junior Golf League at Diamondhead for the Fall Season is registering now. Open to Boys and Girls age ~5 to ~15. Contact Diamondhead Coach Richard Schorr via email at [rschorr@dhpoa.org](mailto:rschorr@dhpoa.org) or speak to any golf professional by calling the Golf Shop at (228) 255-3910. Fall Season will start in October. We hope you join the FUN! Please share & register now! Registration forms will be available in the Golf Shop. This junior program will host a weekly practice/training session with their team of approximately 8-10 junior golfers. These practice sessions are fun! Our juniors are able to spend some time on the practice facility or golf course with their friends learning to enjoy the game. The GCJGL's success stems from the social aspects of the game of golf. You have to admit that golf is more FUN when played with friends! Practicing and playing as part of a team leads to greater enjoyment, builds confidence, increases the possibility of a lifelong love of the game. Season starts in October and runs through mid-November!

Residents, please refrain from traveling the golf course during operating hours. This is to ensure your safety and our golfing guests' pleasure. Please only use the golf cart paths briefly to cut through to an adjacent side street. Those of you coming to the clubhouse to check in for golf or to enjoy a meal or beverage should also use the side streets for traveling during

the day instead of using the golf cart paths. Hours of operation for the golf course are sunrise to dark 7 days per week. We appreciate you using this good golf etiquette and abiding by the rules set in place relating to golf cart travel around our community.

By now our golfers are aware that the greenside "No Cart" markers are no longer on the golf course. We continue to promote the "Scatter" rule which helps reduce the turf damage from excessive wear from carts using the exact same entry and exit points. We must still all protect our golf course. Even without these "No Cart" markers we must keep all golf carts a minimum of 30 yards from the green and always require carts to return back to the cart path side of each green complex once they reach that point.

Speaking of golf carts, most of us know not to drive golf carts outside the boundaries of the golf course. Our golf course neighbors would appreciate us not entering their private property and especially not driving our golf carts on their private property. If you see anyone on the course that may need a refresher on this rule of golf course etiquette, please let us know.

The golf shop is receiving new items regularly and holiday shopping is just around the corner. Please stop by and check out our inventory. We might just have something you are looking for. Diamondhead Property Owners should take advantage of their discounts on all regularly priced apparel in the golf shop.

Well, playing golf in August here at Diamondhead was even more of a challenge than we faced playing last month. But our Nines gals are not easily dissuaded and stepped up to the challenge by playing all five Tuesdays including our two-day Electric competition. Never underestimate our Diamondhead gal golfers.

On August 1st, 15 brave ladies showed up to play a 2-Person Alternate Shot game on the front Nine of the Pine Course. Before teeing off the players had to discuss some strategy concerning who would play the even holes and who would tackle the odd holes. After careful consideration 6 teams took off to conquer the front of the Pine. Our first place winning team was composed of Pattie Blackwood and Cathy Gesell with a score of 35. Jerry Ingraham and Thesese Mauterer took 2nd Place with a score of 37. Not to be left behind, Kathy Jones and Mary Murray came in 3rd Place with a 38

**Two-Day Electric Tournament - Flight One Winners = L to R Nancy Sislow, Therese Mauterer and Judy Tauzin.**

**Margaret Sherwood with**

The following two Tuesdays (8/8 and 8/15) hosted our annual Electric Tournament. This year's tournament was held on the front nine of our Cardinal Course. For this competition each gal plays nine holes and records her score. The following Tuesday we play the same course and also record our scores. The winner of this competition is the person who achieves the best score 9 holes of the 18 that are played. This event is followed by a luncheon to await the arrival of the best scores. And, this year's winners were: Flight One - 1st Place = Judy Tauzin, 2nd Place = Therese Mauterer and 3d Place = (in a scorecard playoff) Nancy Sislow. In Flight Two our 1st Place Winner was Kim Knight followed by Margaret Sherwood in 2nd Place and Pat VanDervort in 3rd Place.

Flight Three brought to light some newer players with Nancy Parker garnering 1st Place and Cathy Gesell taking 2nd Place while Sylvia Corban took 3rd Place. Kim Knight also managed a Birdie on Hole #7. Great job gals!

On Tuesday, August 22nd, we all played from the Black Tees on the back 9 of the Cardinal Course. Only 12 players showed to brave the tremendous heat that morning therefore we fielded only two flights. Our stalwart winners were: Flight One - 1st Place = Toni Rossol, 2nd Place = Judy Tauzin and 3rd Place = Therese Mauterer. In the Second Flight - 1st Place went to Nancy Barker while 2nd Place was taken by Kim Knight and 3rd Place was garnered by Janice Murray. Judy Tauzin scored the lowest putts in Flight

**Nancy Barker and Sylvia Corban.**

1 and Janice Murray got this honor in Flight 2. Toni Rossol came closest to the pin on #13 and Kim Knight achieved this honor on #17. Not to be left out Therese Mauterer scored a Birdie on Hole #16. You would think playing from these closer tees would make the game easier but it taint necessarily so. The game now is seen from a new perspective and club choice can be a challenge.

The final Tuesday of August brought slightly (and I do mean slightly) cooler temps and 18 players came out to play a Two Person Scramble.

The winning team was made up of Jerry Ingraham and Judy

Tauzin scoring a net 33. We had a tie for 2nd place Gale Lammers and Therese Mauterer tying with the team of Nancy Barker and Kim Knight. Both teams scored 34 but Lammers/Mauterer won in a scorecard playoff. The 4th Place team was composed of Cathy Gesell and Pat VanDervort.

Three gals had Chip-Ins: Therese Mauterer on Hole #6, Nancy Sislow on Hole #3 and Judy Tauzin on Hole #4. Therese also had Birdie on #6.

Follow us next month for more of our Diamondhead Nines golfing adventures when we hope the temps will have dropped a bit.
