VOL. 42, NO. 12

FROM THE DESK OF THE PRESIDENT

**BY NANCY SISLOW
PRESIDENT OF THE POA**

Your POA Board spent the past month finalizing and approving the 2025 budget.

The threats to our income from more property owners with expired covenants who decide to not pay dues and comments made by the Hancock County Assessor that he may begin assessing property taxes on our amenities led to the decision to raise the dues by \$6 per month.

The Board has continued its work of exploring ways to streamline the association while assuring the best possible retention of all the amenities.

When you take a moment to think of all that the amenities encompass, you feel the enormity of what needs to be maintained.

The Property Owner's Association is responsible for 1.) an open-air, fenced RV and boat storage area; 2.) the 3500ft. long airport runway and area maintenance; 3.) the marina, docks, ship's store, and Camphouse (formerly known as the Yacht Club) building; 4.) the Community Center building, grounds and parking lot; 5.) the East Rec pool and deck area, playground, tennis and pickleball courts and pro shop/offices, and ballfields; 6.) the North Rec pool, pool deck and playground; 7.) the Twin Lakes pavilion, frisbee golf, grounds, walking trail and lakes; 8.) the Holiday Village pool and grounds; 9.) the Main Pool, splash pad pool deck, walking trail, and

pickleball/tennis courts; 10.) Club and restaurants, patio, outdoor spaces; 11.) two 18-hole golf courses, pro shop, practice range, education facility, cart barn; 12.) maintenance garage and equipment; 13.) and the POA administration offices. That is a lot to manage for such a small fee per member!

In my last message, I mentioned all the challenges Diamondhead has faced and our history covers many of them.

By 1990 there were 4500 people who made "this thriving resort their permanent home" (as was noted in a marketing brochure). The Mississippi Gaming Control Act of 1990 and the expanded mission of NASA to test new solid fuel rocket motors for the space shuttle brought many new folks to find homes in Diamondhead. The new casinos employed thousands of people who wanted to live in communities like Diamondhead where the land was relatively inexpensive, and the parcels already had water and sewerage infrastructure.

The Glen Eagle subdivision was developed during this time and consisted of 189 lots averaging 100-foot frontage in an area of gently rolling hills wrapped around the newly built Cardinal Golf Course.

The population of Diamondhead increased to 5,912 residents in the year 2000 and property owner's dues increased from \$15 to \$25 per month. There was conflict among members and one group began to push for Diamond-

head to become a city.

That plan was unsuccessful in 1994 but gives us clues to the actions that have taken place since then.

I, and all the Members of the

Board, thank you for the opportunity to serve the Diamondhead Property Owners Association and its great amenities.

East Hancock Library: A Season of Gratitude in Diamondhead

BY LEAH HOLMES

Happy Thanksgiving to each of you! As noted last month, I am so very thankful to be here in Diamondhead, managing the East Hancock Library (though like you, I sure will miss seeing Gerri McCleskey's easy smile and helpful ways around the branch; Mrs. Gerri, enjoy your well-deserved retirement, dear friend!). I offer special thanks to those who have have stopped by recently to say "hello and welcome," and hope that I might have the chance to meet even more of you in the days ahead!

Before mentioning the flurry of

events and programs characteristic of the holiday season, I feel it is appropriate to pause and reflect on a particular blessing which our local library enjoys: the support of several highly talented library program leaders, without whose generous volunteerism, the vibrancy and range of patron opportunities at the EH branch would not be possible. Mrs. Elen Black leads both our Children's and Adult Painting Classes. She accepts participants "where they are" and works patiently to advance their skills, then pivots effortlessly to "habla Espanol" in our Adult Spanish

Class. Similarly, Mrs. Penny Crawford creates a multitude of arts and crafts projects for various groups and enhances the décor inside the library itself! If you haven't yet had the chance to view Penny's extraordinary mural on the back wall of the children's room, well you're just letting some tremendous talent pass you by.

Mrs. Mary Gobert, who previously wrote this monthly article, oversees the Literary Society of Diamondhead, and assists in myriad ways large and small. Finally, one might easily mistake both Mrs. Diane Stechman and Mrs. Beryl Laird

for library employees, as they devote such time and expertise to assisting the staff. THANK YOU to these and all our library volunteers for your joyful energy, creative efforts, and your willingness to get involved in your community library; we owe each of you a debt of gratitude that is quite simply, beyond measure.

report but wanted to take the time to give a shout out to Nancy Perkins. The Fall Festival was a smashing success over 70 vendors turned out. The weather was perfect.

Trunk or Treat is coming this Wednesday over 400 bands were given out to POA members, over 70 vehicles signed up. The main pool will remain open on the weekends till the end of October then we will move to East rec only operational position. Thanks to seasonal staff in welcoming guests and there were over 16,000 people that visited our pools since June. Administration/Legal Committee- Trying to find a collection firm for the outstanding liens, may try temporary collection position internally with somebody making the phone calls. Miles Sharp contract ends December 31. We

are not renewing it. Looking at the proposed budget; brief discussion of Purcell meeting and amenities used and not used. Airport fuel issues are ongoing. Update on internal software adjustments for the late fees. House/Club Committee- The toast inventory control, and staff training is on schedule is scheduled for completion December 31st. Working on getting card readers for use on the course to save time. The banquets, Oak room, patio and latitude business has been very good; customer satisfaction has been an all-time high. Golden Tee Video game will be installed soon. Futures Committee- Primarily made up of board members, had a presentation by two legal consultants, Mr. Sharp and Mr. Tubertini regarding ways that the POA can be strengthened. Facilities/Safety Committee- Nothing to report Golf/Grounds Committee- New pump system

installed on the Cardinal will help during current drought. Remedial treatments on the Cardinal greens has made significant improvements.

GENERAL MANAGER'S REPORT – GM Abadie provided his report including financial data.

POA MEMBERS COMMENTS ON AGENDA ITEMS - None

REGULAR AGENDA – None at this time.

POA MEMBERS COMMENTS ON NON-AGENDA ITEMS – Debra Moore spoke to Holiday Village concerns. Jessie Harwood spoke about member input to future plans and important amenities.

NEXT MEETING – The next scheduled meeting will be on Monday, November 18, 2024, at 6:00 P.M. at the Diamondhead City Hall Chambers.

ADJOURN to Executive Session – A motion was made by Vice President Giarrusso and seconded by Director

Diamondhead Aviation: New Challenges

BY PAUL GILBERT

One question I often hear from people is, 'Do you ever get scared while flying?' It's a legitimate concern that I assume goes hand in hand with a fear of heights as the more common fears. Most fearful passengers cite turbulence as a big concern. It's understandable. While travelling in a car or a boat, a sudden bump may cause the seat to drop away, and you think nothing of it. In a plane, those same sensations may play tricks on the mind, with a possibly overactive imagination telling you the airplane is now going to plummet to the ground.

While in flight, an aircraft feels similar to a boat on the water. As the plane moves through the air, its invisible wake acts just like the wake behind a boat. If another plane passes through that wake, it must ride

through the disturbed air. This and other atmospheric phenomena cause a rough ride that may be uncomfortable but not dangerous. Nervous fliers could benefit from taking a flight lesson or two. Learning how the aircraft flies can alleviate many of their fears.

Within the first couple of flight hours, a new student has already seen how the airplane can glide with even zero power from the engine. That fear of the plane falling out of the sky disappears. The turbulence that used to be troublesome becomes just a bump in the road, just as a skilled mariner navigates the continuous ebb and flow of the waves. Hours later, when the time comes for the instructor to step out and let you take that first solo flight, those initial fears are long gone, replaced with

new fears and a sense of excitement. As you make your way through the training, you start to welcome new challenges. Fear has given way to a constant yearning for that next milestone.

After a few solo flights, you start working on navigation and a new fear develops in the form of, 'where are we?' and the search on the horizon for the destination airport and your landing runway. It's an amazing feeling when you touch down at a distant airport after an hour or more of checking off landmarks on your carefully prepared flight plan. But even that seems a bit more routine by the time you take the check ride for the new certificate.

So many years later, I still enjoy every hour I spend in the air and try to never take such a wonderful ex-

perience for granted. But when I'm asked if I'm ever scared, I can never think of a time when I was truly scared. Excited or anxious maybe. But aviation presents us with so many challenges that I find myself welcoming each new challenge and future goals.

If you've ever wanted to experience the wonder of flight or if you've got a fear of flight, maybe a lesson or two can help you see those fears are unfounded and the experience may just open doors to a new passion as well as a very convenient form of transportation.

If you have any questions about aviation, I'm always reachable at: aviatorandwriter@gmail.com

DIAMONDHEAD WOMENS CLUB BY ROBIN GAINES

Our November 6th was a lot of fun, with our own very talented vice president, Renee Risso, holding a “Holiday Bow Creating” class. We also collected new blank greeting cards for Woodland Village.

On November 9th, several members attended the Pink Hearts Gala held in Biloxi, with the Women’s Club

Garden Club member planting a raised bed at Woodland Village with fall vegetables

being honored as their main contributor to this very worthy cause. This year’s theme was “Boots and Bow Ties” and everyone dressed the part, decked out in our best boot and bowties, and, lets not forget, lost of Glitz and glamour.

Please plan to attend our December 4th annual Celebration Luncheon, with entertainment and wonderful comradery, which will be held in the Emerald Ballroom of the Club at Diamondhead. This year, we have invited the Newcomers group to join us. This is an event you will not want to miss. The cost is \$35.00, cash or check made payable to the DWC.

We will be collecting donations for our Veterans in Need (Coats, hats, socks, etc.). We will also have our CASA Angel Tree ornaments available until they are all purchased. They are available for \$25+ per ornament, cash or check made payable to CASA. Ladies, these are absolutely beautiful!!

We strive, through diligence, hard work, creativity and friendship, to

• LIBRARY

Continued from Page 3

for our DIAMONDHEAD READS! community reading initiative yet? A few free copies remain on hand at the library. You may wish to hurry though, as it is almost time! The book’s author, Martin Schreiber will visit Diamondhead on Thursday, December 5th, 2024, to discuss his personal experiences as a caregiver for his wife Elaine. “Marty” is a former governor of Wisconsin and has become a nationally recognized advocate and educator for memory loss and Alzheimer’s caregivers. We hope you’ll make plans to meet Marty in person, ask questions about the book, and have your own copy signed by the author! This very special opportunity happens at the City Council

Chambers at City Hall (5000 Diamondhead Cr.) from 6 to 8 pm, and represents the culminating event for this, our inaugural community read project. It’s also a wonderful chance to connect with caregivers and others whose lives may have been impacted by memory loss.

And speaking of memory loss ... if you or a loved one is experiencing memory loss, we invite you to attend the new Memory Café on the fourth Friday of each month from 10 – 11 am (though our December Café will be held Tuesday, December 10th, from 9 to 10 am). The Memory Café offers an inviting, low-key low stress opportunity for the aging population who may be experiencing Alzheimer’s, dementia, or other forms/stages of memory loss. Programs include arts & crafts, music, and pet-friendly sessions where seniors and family mem-

bers or caregivers can come together in a supportive social environment.

Please plan to join us for our annual East Hancock Library Tree Celebration on Thursday, December 19th, from 5 to 7 pm. View the festive trees of our local businesses, socialize with friends, and be merry and bright!

UPCOMING PROGRAMS:

We invite you and your “littles” (toddlers, preschoolers, and kindergarteners) to our popular Storytime program on Mondays from 10:30 to 11:30 am. Updates and adjustments to the Storytime schedule are available on the library’s web calendar at [<https://hcls.librarycalendar.com/events/>]. Also enjoy our Adult Painting and Make-and-Take Craft classes on alternating Mondays. Always wanted to learn Mahjong? Our Drag-on Ladies group meets most Tuesdays from 1 to 4 pm. And Thursdays

are the perfect time to practice your Spanish with Elen from 2 to 3 pm.

Not sure what to read? Come join our Literary Society of Diamondhead on the first and second Wednesdays of each month from 10:30 to 11:30 am—new members always welcome!

If your 7–11-year-old is interested in space, don’t miss the INFINITY Science Center’s special Saturday program, “The Moon Lights the Way” from 10 am to noon on December 7; it’s a family-friendly STEM program with fun, hands-on activities!

Finally, stay in shape over the holidays with our Strength & Flexibility class each Friday at 10:30 (except the fourth Friday, which meets at 11:30 am).

Feeling thankful for our library and community, Leah, your new library liaison!

GEAUX HIKING CLUB BY SHEILA EDWARDS

Our unseasonably warm fall has lasted into "winter" with many days of "jacket-less" weather and balmy, summer-like nights (but they are starting much earlier, since the time change). Our Crime and Vice tour of the French Quarter matched the "steamy" weather as we explored the seedy side of the Vieux Carre. We

dug into the stories of the characters and venues of the historic and legendary tract as we wandered through the streets. Lunch was, unfortunately, only so-so at the French Market Restaurant. But will we go back to the Quarter? Mais oui!

Other hikes that were planned were, unfortunately, cancelled due to weather.

The Saturday, November 16, Renaissance Festival in Hammond, LA, hike will take place after this article is submitted for publication, so watch our article in the January issue of the DH News for our "tell-all" report <tee hee> We'll also share any "juicy tidbits" from our Thanksgiving Dinner.

PEO CHAPTER U BY KATHRYN LEWIS

Leanne McElroy (center)...PEO MS State Coordinator makes her official visit to PEO (Philanthropic Education Organization) Chapter U in Diamondhead. McElroy commended Chapter U for their commitment to Community projects, supporting and recommending women for PEO scholarships, and continuing to grow their membership.

PEO CHAPTER T BY DINAH KNOBLOCH

The P.E.O. Chapter T sisters recently participated in the Diamondhead Farmers Market. The sisters sold homemade baked goods and crafts. A beautiful basket of wine, chocolates, gift cards, and other goodies was raffled. The monies raised go to the philanthropy P.E.O. projects which assist women in continuing their education through scholarships, grants, loans, and stewardship of Cottey College.

Happy 25th Anniversary P.E.O. Chapter T. The sisters celebrated with dinner, silver decorations, and a special program. Over the last 25 years Chapter T has raised and donated over \$70,000 to P.E.O. projects at the international, state, and local level thereby allowing women to complete their education. The chapter was organized on November 19, 1999. Two of the sisters, Jerry Ingraham and Carrie Perkins are charter members of the chapter and are seated in the middle of the front row. Jerry and Carrie and all the sisters of Chapter T will continue to participate and be a part of this international organization that assist women in achieving their educational goals.

THE CLUB AT DIAMONDHEAD GOLF BY CHRIS ALTESE PGA

As we wrap up yet another great year of golf at The Club at Diamondhead, we hope you will consider wrapping up your holiday season by supporting your Golf Shop. We will once again host our "12 Days of Christmas" Sale running December 3rd through December 14th. We encourage all DPOA members to check out this annual sale for their holiday buying. The Golf Shop offers more than just golf equipment. You can purchase lifestyle items such as Oakley sunglasses, Diamondhead wind shirts, jackets, and fleece. Don't forget that the golf shop is receiving new items regularly. Please stop by and check out our inventory. We might just have something you are looking for. Diamondhead Property Owners should take advantage of their 20% discount on all regularly priced apparel in the golf shop. Your Golf Shop is open Monday through Sunday and we would be happy

to assist you. Top apparel brands are available such as FootJoy, Sunday Swagger, Under Armour, Gear for Sport, and The Club at Diamondhead Private Label.

Our Diamondhead junior golfers completed their high school golf seasons with incredible performances at their respective state championships over the last two weeks in October. Hancock Boys and Girls golf teams both won their MHSAA Class 6A State Championships. Diamondhead junior golfers Logan Jensen and Kartsyn Altese secured individual MHSAA Class 6A State Championships for Hancock along with Kenley Archer (2nd place), Rowdy Foster (4th place), Kaylee Mays (6th place), Madden Baughman (8th place) and Owen Russell (14th place) securing a top individual spots as well. Our Lady Academy won their MHSAA Class I State Championship. Diamondhead junior golfer Gabby Haas shot up the leaderboard with a final round 75 to finish in 4th place

• SPORTS

individually. Another Diamondhead junior golfer, Carissa Hester, won the individual MHSAA Class 5A State Championship for Stone High School. St. Stanislaus captured the MHSAA Class 3A State Championship Runner-Up with solid performances by Diamondhead juniors Mitchell Thompson, Jack Lawson, and Collin Wahl. Biloxi High Senior and Diamondhead junior, Katie Estridge, earned a TOP 5 finish at the MHSAA Class 7A State Championship. Great seasons by all! If you see any of these young golfers, please congratulate them!

We are asking all golf members and golf guests to abide by our golf cart regulations. All carts must remain on the cart path (all four tires) around tees and greens. Par 3s are cart path only at all times. Carts shall not be driven around the opposite side of the cart path of tees and greens. Instead, return to the cart path prior to 30 yards of the aprons of greens and bunkers. Be sure to avoid any soft, wet ground or standing water on the golf course to help prevent unnecessary turf damage. If we all do our part, we can make a difference.

Our Diamondhead golf courses are amenities that we want all to enjoy. Still, we must do so within the rules while keeping everyone safe and not disrupting the golf experience for those (annual golf members and daily fee guests) that have paid for a round of golf and paid to use the golf cart trails. Recreational activities such as walking, jogging, and sightseeing in golf carts are not allowed during operating hours. Golfers are genuinely concerned and frightened of the thought that their golf ball could hit and injure someone that was in the field of play. We often have to inform residents and guests that being on the golf course during operating hours is not permitted for their safety. Bicyclists, parents strolling babies, even a youngster riding a

motorcycle are examples of what we have seen. Could you imagine the chaos that would occur if someone decided to stroll their baby or take walk to center court during the playing of an NBA game? Not alluding to our golfers being professionals, but me either. These rules help all of us, no matter which side of the golf ball you are standing on. Respectfully taking a golf cart path for a short period (less than one hole) to get to the clubhouse or an adjacent street is acceptable at any time if done so correctly. Proper etiquette would be to limit your movement while golfers are playing or preparing to play a shot. The best opportunity to briefly travel the golf cart path safely and without disrupting golfers is when all players in a golf group start moving to their next shot. For your safety, never put yourself within range of an errant golf shot. Your courteous consideration of golfers while playing will be appreciated by our golf members and daily fee guests. The Club at Diamondhead and POA, and all related individuals are not responsible for any accidents or injuries that may result from your use of the golf cart paths.

The Club at Diamondhead hosted their annual 3-person Scramble tournament, aptly named The Gobbler, on Saturday, November 30. This event supports the Hancock County Food Pantry and the Marine Corps Reserve Toys for Tots. We look forward to posting results in next month's newsletter.

If you have tournament credit, please remember that all golf shop credit must be used by Saturday, December 14th. After this date, all golf shop credit remaining on the books will be locked and cleared.

DWGAN BY SHIRLEY HALTERMAN

We sincerely hope you are becoming accustomed to getting our golf results from mid-month to mid-month in a more timely fashion. The past four Tuesdays have been very eventful with many special competitions. Even though we had five Tuesdays in this time frame, weather played havoc with our final Tuesday, 11/12, so the remaining four events are being reported.

On Tuesday, October 15th, we played our Annual "Beat the Pro" competition. Twenty-seven of our gals turned out to try to beat the score entered by Richard on the front Nine of the Cardinal Course. He did give us the option of hitting for us on the Par three Hole #7. While Richard did post a most respectable 39, we had the advantage of using our handicaps against his score, and 22 of our players did manage to Beat the Pro. Special congratulations to Beryl Laird for posting the lowest score of 31 after her handicap. In addition, the following posted the lowest Putts for the day: In Flight 1, Susie Fontenot (15), Flight 2, Janice Murray, and Flight 3, Kathy Jones, each posting (16) putts. Additionally, Susie Fontenot and Kathie

Pierson both posted Chip-Ins during today's game.

The following Tuesday we played Hooky Spooky on the front Nine of the Pine Course. This game is a NET team game. The A player is the Skeleton, the B player is the Cat and the C player is the Ghost. Signs are posted on each Red Tee Box of the of the following hole determining which two players scores will be posted for the team. Our First Place winning team was composed of Pattie Blackwood, Cathy Gesell and Toni Rossol. The Second Place Team included Sue Hebert, Kathy Jones and Therese Mauterer. And, Third Place honors went to: Sylvia Corban, Mary Alice Harfoush and Ann Nutting. Toni Rossol also scored a Chip-In on Hole #1.

As stated earlier, this set of Tuesdays included a couple of special events. On Tuesday, October 29th, we held our Annual Club Championship. This year's Overall Club Champion with a Gross Score of 44 was Georgeann Luxion. Special Congratulations to her. Toni Rossol entered a Net Score of 32. Following are the 1st, 2nd and 3rd Flight winners. Flight 1 - 1st Place = Judy Lakota, 2nd Place = Therese Mauterer and 3rd Place = Ann Nutting. Flight 2 - 1st Place = Shirley Halterman, 2nd Place = Nancy Sislow and 3rd Place = Susie Fontenot (Nancy & Susie's positions were determined by a Scorecard Playoff). In Flight 3 - 1st & 2nd Places were also determined by a Scorecard Playoff with 1st Place going to Kathy Jones

Beat the Pro Winners

and 2nd Place to Sylvia Corban while Sharon Gerchow took the 3rd Place. During this game we also track Lowest Putts and Closest to the Pin. In Flight 1 Georgeann Luxion scored Lowest Putts followed by Mary Alice Harfoush in Flight 2, and Dinah Knobloch in Flight 3. When it came to Closest to the Pin, Ann Nutting took the honors in Flight 1, Cheryl Saak in Flight 2 and Pauline Singer in Flight 3. As usual, this competition was followed by a delicious luncheon at the Club.

November 5th found us playing a Scramble. The weather is improving so more of our members are able to play and 34 showed up for this event on the front nine of the Pine Course. Our First Place Team was composed of Nanette Braud, Monica Jordan, Therese Mauterer and Nancy Sislow. While the Second Place Team included Sharon Gerchow, Cathy Gesell, Georgeann Luxion and Margaret Sherwood. In Third Place was the Team of Susie Fonenot, Shirley Halterman, Beryl Laird and Krista Lee. Both Susie Fontenot and Monica Jordan posted Chip-ins during this

2024 Nines Club Champion

round.

We hope you will continue to follow our adventures chasing the little round ball

into the hole. Until next time, keep hitting them long and straight

As the sun began to fade in the sky on Saturday October 19th, beautifully dressed guests began arriving at The Club at Diamondhead in anticipation of the start to ball season.

As the doors opened, guests were greeted by the Jazz Ball hosts and ushered into the ballroom that was fully transformed in lively colors and musical theme. The room was lit up for a night of fantastic food, drinks and outstanding music by Joni Campretta and the Baytown Groove.

Guests filled their glasses and found their seats for the evening as they prepared for the entertainment by the Jazz Ball hosts. Inspiration for the hosts skit was the Rat Pack and a little swing. The hosts entered the ballroom to Sing, Sing, Sing with a Swing before launching into their skit to the song "Can't Take My Eyes Off of You." At the conclusion of the

skit hosts found their seats and the meal was served.

Chef Ricky and his staff outdid their selves with the dinner of loaded potato soup, the signature dish of the Jazz Roll and a blueberry lemon cake for dessert. Guests did not leave hungry but did fuel up for dancing and merriment as the band played on into the evening.

Each guest was given musical sticky notes as a thank you for attending. Located on each table and around the room were QR codes that guests could use to upload photos directly to the Jazz Ball Facebook page.
