VOL. 43, NO. 5

FROM THE DESK OF THE PRESIDENT

PRESIDENT'S REPORT

BY NANCY SISLOW,
BOARD PRESIDENT

Your POA Board held a Special Meeting on Monday, April 7 to fully discuss the plans to reduce expenses including 1. The Holiday Pool the closing of which has been rescinded, and all pools will be open for the 2025 season using a key card system for entry. 2. Leasing the Tennis Club to the current Tennis Pro who is confident that he can expand the club through independent management, saving the POA \$50,000 per year. 3. Closing the Community Center, saving around \$100,000 per year. As we reviewed these plans and some staffing changes, we tried to assure we were allowing ourselves flexibility should these plans not work. The plans in place result in a projected positive cash flow for the year if we maintain limited capital expense to only those required for the continuance of an amenity. Additionally, on top of continuing to drive efficiency

and improve customer service, we realized it is time to begin to plan for what the future of the amenities looks like. The Board has asked that a committee be created to formulate a plan that can be reviewed and approved by all involved parties. We have not yet concluded the method by which change will take place, but that will be included in the work of this committee.

Change is not always easy, but in the end, it is inevitable, and the Board will work to assure we seek solutions that result in having our community retain its unique attributes. And it may be different than today, but hopefully better than "the old days."

I, and all the Members of the Board, thank you for the opportunity to serve the Diamondhead Property Owners Association and its great amenities.

In Loving Memory of Stuart Stromeyer

We were deeply saddened to learn of the passing of Stuart Stromeyer, a cherished member of the Diamondhead community.

Stuart and his wife, Mary Ann, purchased their home in Diamondhead in 2020, making it their permanent home in 2022. Stuart's connection to the area ran deep—he was raised in Metairie and spent countless childhood days in near-

by Waveland and Picayune with his grandparents. His love for the region and its people brought him and Mary Ann back here in retirement.

After a distinguished career as a global Large Loss Adjuster in the oil, gas, and power industries, He finished his professional journey with McLarens. He went on to serve the community as a dedicated

member of the Diamondhead POA Board of Directors.

Stuart brought joy and generosity to every corner of Diamondhead. He was an enthusiastic golfer, a proud Mardi Gras Krewe of Bacchus member, and a regular at the Diamondhead Wine Club and Club Wine Dinners. He also worked in the Cart Barn. His friendly smile, steady leadership,

and kind spirit left a mark on all who knew him.

Mary Ann told us that more than anything, he was an adoring husband, devoted son, loving father, proud grandfather, and caring big brother.

His life was defined by love, laughter, and service. His memory will continue to inspire and uplift our community.

COMMITTEE REPORTS – Airport/Marina Committee- Nothing to report. Recreation Committee- Still looking for various investments in funding for pickleball. Pay for use of amenities and insuring that members in good standing have access to the amenities and others are paying for them. Would like to come up with a way to conduct a survey of all members to better determine the amenities most valued by those who pay dues and would like to go forward with that. Cost savings approached having key cards or PIN number to use vs using the staff. Working primarily what is on the agenda with the pickleball courts.. Administration/Legal Committee- Discussions of amenity issues. Investor interest in tennis world is moving slowly. Will continue to pursue the interests. Members and the board need to come together to discuss what the POA should look like in 3-5 years. The committee would like to have members make their ideas known And have members bring forward issues

or concerns. Amenities that do not generate income or serve very limited members like the holiday pool, cannot continue unless things change. POA is only collecting dues from people that had dues that were incurred when covenants were fully enforced. House/Club Committee- Nothing to report. Facilities/Safety Committee- Nothing to report. Diamondhead Aviation

BY PAUL GILBERT

Aviation offers challenges, thrills and adventure. But it also offers connections to friends and family.

We visited family in South Carolina a couple of weeks ago. By car, the trip would be over eight hours. By airline, with connecting flights, even longer. But our own plane made the trip in just under three hours.

A strong high-pressure system pushed away the clouds and provided smooth air with a slight tailwind at nine thousand feet. Montgomery and Auburn, Alabama passed off our left and we got a slight reroute to keep us south of Atlanta's airline arrivals. Soon after passing Hartsfield, our destination airport came into view. Greer Approach kept us high for some unknown reason, so we had to hustle down to make traffic pattern altitude and a two or three knot tailwind landing (oops).

As we taxied to the ramp, my wife asked if we could take her father up for a flight while we were there, and I agreed. We had arrived with plenty of time to relax over dinner and then a play about Patsy Cline at the Abbeville Opera House which first opened in 1904. The town of Abbeville and this theater was like a time warp into 1950's small town life and the Patsy Cline music completed the scene.

It's so wonderful seeing my wife and her father spending time together and I'm glad I could help them reconnect. Rather than a sim-

ple local flight, we decided on a visit to relatives in Eastern Tennessee. We loaded up the next morning and flew north to Johnson County Airport in the Appalachian Mountains. At an altitude of 2,241 feet, the airport sits in a valley surrounded by mountains, and we had to descend from eight thousand feet once past the highest peaks in a wide arc to lose the nearly five thousand feet to pattern altitude.

When we stepped out of the plane into the cool mountain air, we were greeted by the airport manager. Dave has quite a following with the locals and visiting pilots. He explained how the airport had been in danger of being completely shut down by a city that didn't recognize its true value. Within just a few years, he had made improvements to the field that now sees corporate traffic regularly bringing new business to the area.

Besides being an advocate for the airport, Dave hosts lots of activities for the local community, like radio controlled aircraft events, parachuting and paragliding and he also enjoys taking locals for flights from time to time.

Dave loves to talk about his love for the area and I was enjoying the conversation, but when our ride arrived, I had to say goodbye.

Driving through town, we saw the effects of Hurricane Helene. The residents have done a fantastic job cleaning up, but downed trees and building fragments stuck out like bruised evidence of the beating the town endured. For the first couple of weeks,

the roads were blocked and the airport was the only way the town could get desperately needed supplies. The frigid temps may have turned deadly if it wasn't for those tarps, heaters, generators, sleeping bags, tents, clothes and so much more that flew in from all over the country.

Our one hour flight from Abbeville, South Carolina to Mountain City, Tennessee would be nearly four hours by car. Seeing how my father-in-law enjoyed the family visit, I was glad we made the trip to his home town. As we drove, he pointed out places from his youth, like the old schoolhouse that's still in use, the fields where he rode horses and where he bailed hay. Every scenic road held deeper meaning as he narrated his formative years.

We had lunch at Mountain Cheers Grill Haus, with great food and friendly staff. After lunch, we drove back to the airport, where Dave already had the plane pulled up and fueled.

We said our goodbyes, and after a quick preflight, we departed runway 25. We took a quick tour of the town as we made a couple of passes in the valley to gain the altitude to clear the mountain peaks (Atlanta Center can't even issue an IFR clearance until you're above 7,400 feet).

As hard as I tried to find smooth air, the ride back to South Carolina was choppy enough to keep anyone from sleeping through the flight. The high-pressure system was still keeping the clouds away, but an approaching front destabilized the air, and pilot reports of moderate

turbulence at nine thousand feet kept us from climbing higher than eight thousand. Descending to lower altitudes did nothing and we rode the trail of speed bumps and potholes all the way to destination. Even with the bumpy return flight, everyone enjoyed the trip.

The front passed our area the next morning, pushing a solid line of rain but the skies cleared by noon and we were soon on our way home. The line of weather had flattened out along the Gulf Coast and rain clouds stayed just south of us for the entire trip until just north of Mobile, Alabama. The Gulfport forecast had accurately predicted clearing skies by the time of our arrival to the area. The Saint Louis Bay was clearly visible as we passed over Gulfport and our landing at Diamondhead was as smooth as I could make it (into the

wind this time).

After parking at our hangar, we walked to the back gate of our house where our dog was visibly excited and making little yips as he welcomed us home. We would have loved having him with us on the trip but at his advanced age, it was better to leave him at home with our son watching him. As much as we enjoyed the family, friendship and beautiful scenery of our trip, nothing compares to the love of a dog and we were thrilled to reconnect with him when we returned.

Another awesome flight full of friends and family in the logbook and plans for the next trip are already in the works.

If you have fond memories of a recent flight, feel free to pass it along.

Until next time, blue skies.

EAST HANCOCK LIBRARY- DIAMONDHEAD LIBRARY BRANCH

WHAT'S HAPPENING AT YOUR LIBRARY IN MAY?

BY KEVIN COLE

"A little something for everyone," is the theme for May," according to Joann Saucier, lead librarian with the East Hancock/Diamondhead library branch.

Beginning with the on-going Conversational Spanish class for adults that meets for an hour every Thursday afternoon at 3 PM, or the Strength & Flexibility program every Friday from 10 AM to 12 noon, Diamondhead's sole public library located at 4545 Shepherd Square (located behind Rouse's Market).

Families (mom's & dad's alike) with young children – babies & toddlers, as well as preschool and kids in kindergarten, are invited to attend the library's popular Storytime program, offered each Monday morning from 10:30 to 11:30 AM.

Part of the Hancock County Library System, the local branch in Diamondhead is gearing up for the always popular annual Summer Library Program for school-age children — students from both homeschool and traditional school programs. Families can contact the library for details, to sign-up, or for

additional information on summer dates, as well as the full array of special hands-on activities, summer reading, educational, and fun programs with visiting presenters that are available during the months of June and July.

If books are your passion, bring a friend and join the friendly and welcoming Literary Society of Diamondhead book club which meets from 11 AM to 12 noon on the second Thursday of every month. And, for the artists amongst us (or those aspiring to be, and "wannabe's," there's Adult Painting with Elen.

Rounding out the month's on-going activities are a Learn to Play Bridge class and the Mahjong players group, "Dragon Ladies." Interested persons should contact the library (tel. 228-255-4800) for days and times for each. Other programs available at the East Hancock/Diamondhead, or Kiln Library on Route 603, or any of the other local community branches can be found online at the library's website: www.hcls.info or in the calendar listings at: <https://hcls.librarycalendar.com/events/upcoming>

DIAMONDHEAD SENIOR VILLAGE

BY MARY GOBERT

Senior Village is gearing up for May big time, so come and join this group! Activities, field trips, and talks from people in the fields of health, safety, business, law, and public service are scheduled on Tuesday and Thursday throughout the month. Sessions are held on the Woodland Village campus near the front entrance. The nursing home is on the left as you drive in and our meeting room is in a separate building on the right.

Mark your cal-

endar for May 13 from 10 to 12 for the Annual Senior Village Picnic. There will be lots of food, games, and fun. Also, there may be crafts!

There may be linedancing! There may be songs! It's a great opportunity to see old friends and make new ones.

Also, please note that the monthly Memory Cafe is held every 4th Thursday. It is a safe space for anyone with dementia or other brain disorders and their caregivers. Everyone benefits from the social support. Memory Cafe is held at the East

Hancock Library from 10-11. If you or someone you know can use this support, we'll see you on May 28th at 10:00.

Many other activities are planned for May and can be found on our Facebook page under Diamondhead Senior Village, Inc.

If you have questions, text or call 228-216-0100.

The mission of Diamondhead Senior Village is to enable senior residents to age in place as well as possible for as long as possible with dignity, joy, and respect. We can all get onboard with that. See you soon!

DIAMONDHEAD GARDEN CLUB

BY BRIERLEY ACKER

We hope everyone took the time to visit our flower show on April 23rd. We have been having a show every year for over 40 years.

Recently we had the opportunity to work with 2 young men who are working on their Eagle Scout Badges

One of the Scouts blue bird-houses that were installed at the Maluhia Garden. The other young man built 4 Bat houses that were installed at Twin lakes and the duck pond and 2 other locations. The scouts and garden club planted flowers at the bat houses. Did you know that just one little brown bat ,yes we have them here, can eat over 4,000 insects in one night. No they do not get in your hair, they know where we are and avoid us.

The next garden club meeting will be on May 21st with the installation of officers for the coming year September – May 2025-2027

We hope everyone has a great summer with no storms. See

you in September.

Did You Ever Consider You May Have History Growing In

Your Yard?

Diamondhead Garden Club is looking for Live Oak Trees in our community that are 100

years in age or older. Not sure of your tree's age? The tree must have a circumference of 9 ½ feet or greater measured at 4 ½ feet from the ground. A Garden Club volunteer would be happy to assist you in determining that information. We can also help you get your tree registered with Hancock County Historical Society and provide you with a plaque for the tree that denotes the registered name you choose as well it's age. Diamondhead is fortunate to have an abundance

Join us in worship -- Sunday at 10 a.m.

Discipleship Quad - Christians today face many obstacles to a vibrant relationship with Christ. Many are without community and lack support in their faith journey. Many do not know what they believe, and even if they do they may not be living out their beliefs or sharing them with others. Out of a passion to combat these obstacles and help people to have the relationship with Christ they desire, we continue to offer discipleship quads.
A Discipleship Quad is a group of four people who journey together as disciples through weekly gatherings of fellowship,

ongoing conversion, and learning. This 12-month path of accompaniment fosters growth through prayer, accountability, and authentic relationships.

This is not just another small group program or Bible study. Here's what makes Discipleship Quads different than anything else you'll find:

- The size of the Quad is four, including the coordinator, allowing for a greater intimacy among members.
 - Choosing who to invite into a Quad is discerned through prayer.
 - There is a rotation of leadership during the Quad's time together.
 - Fellowship is a meaningful part of the experience.
 - This model has had over three decades of success.
 - It is all free of charge or a nominal book fee.
- For more information, contact the leadership team, ktzcuevas@aol.com

hill Crane Wildlife Refuge, and the Audubon Society and is led by an expert naturalist. The hike meanders through the marsh and is ever-changing. It will be followed by lunch somewhere in or near Ocean Springs. Meet at Twin Lakes a bit before 8:00am. Leave at 8:00am. Hike starts in Ocean Springs at 9:00am. Leader from Diamondhead to Ocean Springs: Sheila Edwards

Thursday, May 8—City Park—New Orleans features several trails:

- Scout Island Perimeter Trail--This mulch trail is 0.66 miles and may be accessed from the pedestrian bridge near Magnolia Drive and ends on the eastern side of the soccer fields.

- Festival Grounds Multi-Use Path--This multi-use asphalt path is 1 mile and is located on the perimeter of the Festival Grounds where pedestrians and bikers each have a lane.

- Zemurray Multi-Use Path—A Multi-use asphalt path that is 0.75 mile and surrounds Big Lake; passes wildlife, seasonal flower beds, art installations, and has a lane for pedestrians and bikers.

- The Native Plant Trail--Gravel trail is 0.12 mile on the northern side of Big Lake where native plants are maintained by volunteers and the Native Plant Initiative.

- New Orleans City Park Loop--This multi-use path loop surrounds the perimeter of City Park, totaling 6.66 miles, and is to be noted that on the southern side the path transition to the sidewalk along City Park Ave.

and Carrollton Ave.

Meet at 9:00am at the Country Club to form car pools. Those who show up will determine which trail (or trails) we hike. We'll have lunch in one of the many excellent New Orleans eateries after the hike. Leader: Betty Whittington

Thursday, May 15—Dauphin Island--Known for stretches of white sand, Dolphin Island also features 19th-century Fort Gaines with original cannons and a blacksmith shop.

Migrating birds can be seen in the forest, dunes and swamp of the Audubon Bird Sanctuary. The Dauphin Island Sea Lab's Estuarium offers aquariums and a living marsh boardwalk, so there is lots to see and do. Meet at 10:00am at the Country Club to form car pools for the drive to Alabama. We'll eat somewhere in the area after we get tired of hiking. Leader: Joanne Homer

Thursday, May 29—Acadian Village, Lafayette, LA--Acadian Village is a recreation of a typical 1800s Cajun village located on 10 acres of former farmland and features 13 structures in a shady community with a bayou running through it. Acadian Village is operated by Lafayette Area Resource Center (LARC) and provides an employment opportunity for those persons with developmental disabilities that are fully capable of working. In addition to the Art Gallery and Doctors Museum, there is a blacksmith shop and several houses, many of which are original construction that have been moved to the site. Cost \$10 for seniors. Lunch will be somewhere in the Lafayette area. Meet at 9:00am at the Country Club to form car pools. Leader: Sheila Edwards

Our next planning meeting will be Tuesday, May 6, at 6:00pm in the Kanaka room at the DH Country Club. We'll be looking ahead to hikes in June. While the weather heats up, if we get out in the morning, when it is still on the cool side, we can enjoy

the beauty of our surroundings. And, there are also good "indoor" hikes in art and history museums, so there is much to explore here on the Gulf Coast. Bring your planner and suggestions.

THURSDAY MORNING LINE DANCERS BY MOLLY KOONEY

Lessons and dancing, led by Molly, will be held from 10:00 -11:00 am

on THURSDAYS at the DIAMOND-HEAD COMMUNITY CENTER. New solid flooring and a huge space. Plenty of room for social distancing.

Everyone is welcome.

Great exercise, great fun, \$1 room rental per person, per session.

THE CLUB AT DIAMONDHEAD GOLF BY CHRIS ALTESE, PGA DIRECTOR OF GOLF

Why play golf or live anywhere else? Diamondhead has it all. Now is a perfect time to get out and play some golf on our two championship golf courses. The golf courses are in beautiful condition thanks to our golf course maintenance team! Many are saying we are the best in the area.

Don't be tempted! We know it is tempting to walk on the golf cart paths/trails during this nice weather. All

should obey the posted signage at all entry points prohibiting any activity on the golf course, golf cart paths, and golf cart trails other than golf. This is ultimately for your safety and so that those members and guests paying to play golf can do so without concern of hurting someone with an errant golf shot someone who happens to be in the wrong place at the wrong time. With many newcomers to the area and some not so new that do not know golf, it is important that we share this information. On the same note, Diamondhead

through without a lost ball or lost temper. With April on deck, there's plenty more fun to come, and maybe even a few more laughs (or mulligans). Keep swinging!

DWGAN BY SHIRLEY HALTERMAN

Tuesday, March 18th, found us playing the appropriate game, "Luck of the Irish." Due to scheduled maintenance on the Pine, we had a limited number of players play this game on the Front of the Cardinal. This game is a Team event with the Pro Shop making A, B, C, & D flight players for each team. Everyone plays their own game and afterward names are drawn from a green hat to create new teams. Awards are then given to the winners of these newly comprised teams. Hence, the "Luck of the Irish" (or draw). And our winners were: First Place (in a scorecard playoff) the team of: Pattie Blackwood, Janice Murray, Toni Rossol and Judy Wright. Second Place the team of Judi Brannan, Tracey Garriga, Toni Rossol (playing as the Ghost player to fill this team) and Nancy Sislow. And, not to be left behind, Third Place the team of Marilyn Galus, Cathy Gesell, Carole Griffin and Pauline Singer (how did all those G names end up together?)

The Founder's Day Tournament was scheduled for Tuesday, March 25th. It was a beautiful day and 30 of our members turned out for this competition. In Flight One, our winners were: 1st Place = Brigitte Becker, 2nd Place = Nancy Barker and 3rd Place = Judy Lakota. After a couple of Scorecard Playoffs, Judi Brannon was awarded 1st Place, Cammie Walkington took 2nd Place and Pattie Blackwood garnered 3rd Place in Flight Two. When

DWGAN Luck of the Irish Game

it came to Flight Three, the three top scorers all had the same score so honors were done by a Scorecard Playoff. Sue Hebert was awarded 1st Place in the flight, Sylvia Corban 2nd Place and Shirley Halterman 3rd Place. During this competition, we also awarded Closest to the Pin and Lowest Putts. When it came to Closest to the Pin, Monica Jordan took the honors in Flight 1, Cathy Gesell in Flight 2 and Dinah Knobloch in Flight 3. Our Putting Aces were Brigitte Becker in Flight 1 with only 12 putts, Cammie Walkington had 16 putts in Flight 2 and Dinah Knobloch in Flight 3. Brigitte had a great day, not only having only 12 putts, but also scoring two Birdies (Holes 3 & 6) plus having a Chip In on Hole # 3. This competition was followed by a luncheon and meeting. Our Chairperson, Brigitte Becker, shared the fact that the Nines now has 62 members. We welcome all the new gals who have joined our group. All officers and committee chairs shared reports and updated us on coming events.

April 1st was our monthly Trophy Day. After a rainy weekend, 20 brave gals turned out to play a cartpath only round on the Front Nine of the Pine. The Flight One winners were: 1st Place = Nancy Barker (S/C playoff), 2nd Place = Brigitte Becker

(S/C playoff) and 3rd Place = Toni Rossol. In Flight Two Ruth Holmes took 1st Place, Cheryl Saak took 2nd Place and Kathy Jones took 3rd Place. When it came to Flight Three, 1st Place went to Carole Griffin, 2nd Place to Lisa Pretzello and 3rd Place to Mary Murray. Brigitte Becker scored a Birdie on #2 while she also had a Chip in on #4 as did Pauline Singer on #4 and Ruth Holmes on #7. Closest to the Pin awards were taken by Brigitte Becker (flight 1), Ruth Holmes (flight 2) and Pauline Singer (flight 3). When it came to Lowest Putts, Brigitte Becker had the honors in Flight 1, Ruth Holmes in Flight 2 and Dinah Knobloch in Flight 3. Me thinks our Ms. Becker has been either doing a lot of practicing or is just playing great golf. Congrats to Brigitte and all our gals!

After yet another rainy weekend, Tuesday, April 10th, turned out to be a nice day for golf although we had to play "cautious 90 degrees" on the Back of our Cardinal Course. Eighteen gals showed up to play "Par 3s & Par 5s". As you might guess, only the score you had on the Par Three holes and the Par Five holes were tallied. Flight 1 winners = 1st Place - Therese Mauterer (S/C playoff), 2nd Place - Kim Knight (S/C playoff) and in 3rd Place - Toni Rossol. Flight 2 win-

ners = 1st Place - Cammie Walkington (S/C playoff), Monica Jordan (S/C playoff) and 3rd Place - Pattie Blackwood. Our Flight 3 winners included: Carole Griffin in 1st Place, Pauline Singer

(S/C playoff) 2nd Place and Kathie Esher (S/C playoff) in 3rd Place. These Mauterer also had Birdie on the 11th hole.

BTW, if you think you are seeing that term "Scorecard Playoff" frequently is just goes to show you how well matched our players. So, now with Spring officially in the air, we hope you will continue to watch for more information on our Nines golfing adventures.
